The violence of the Partition of India and Pakistan, 1946 ...

The Partition was accompanied by excessive violence, even though the transition of power was peaceful. Approximately one million people were killed and twelve million people migrated as a direct result of the Partition. The extent of the violence sounds rather paradoxical. Therefore, the following question is asked: how can the violence of the

Globalizing Pakistani Identity Across The Border: The ...

Partition, generating durable feelings of resentment and suspicion against the “Other”. As Yasmin Khan persuasively argues, this “perceived aggression”⁸ on behalf of both states was the outcome of phobias exacerbated by the transitional phase of nation building post-independence, in which “the vulnerability of both new nations was nakedly
