Amazon.com: Customer reviews: ACE HEALTH COACH MANUAL

The ACE Medical Exercise Specialist Certification is designed for advanced health and fitness professionals providing in-depth preventive and post-rehabilitative fitness programming for individuals who are at risk for, or are recovering from, a variety of cardiovascular, pulmonary, metabolic, and musculoskeletal diseases and disorders, as well as apparently healthy clients in special population groups, including older adults, youth, and prenatal and postpartum women.

Certification Candidate Handbook

I earned my ACE Health Coach certification last year... I bought the standard book and completed the manual-plus bought few practice tests (I would recommend a practice test or two). The test is challenging, and I remember the questions being mainly real life application problems-very little regurgitation of information.

ACE Health Coach Exam Tips - IDEA Health & Fitness Association

Karin is right! ACE just replaced the old Life Style and Weight Management Coach with the Health Coach certification. I am actually waiting on my materials which should come any day. I hope to be certified in a couple of months. If you go to ACE's site it is pretty user-friendly and might help answer some of your questions ☺☺ Julie

ACE health coach? - IDEA Health & Fitness Association

The 2nd Edition of the ACE Lifestyle & Weight Management Consultant Manual (with companion DVD) has been completely overhauled and features an increased focus on the psychological aspects of weight management, as well as more in-depth coverage of the physiology of obesity and the techniques of lifestyle coaching.

Ace Lifestyle & Weight Management Consultant Manual: The ...
