Series 800 Steam Humidifier - esmithair.com

We used it on the main level furnace/heatpump to replace two Honeywell Steam humidifiers and one Aprilaire Bypass humidifier. The Honeywell units were a maintenance disaster and the bypass humidifier was not very effective. We have over 5,500 sf and the single Aprilaire 800 powered with 220v provides more humidity by far than the three combined.

Amazon.com: Customer reviews: Aprilaire 800 Whole Home ...

Model 800 features: – Full coverage up to 6,200 square feet, choose from 6 levels of output adding 11.5 to 34.6 gallons of moisture into the air per day. – Great for homes in arid climates. – Electrode technology requires impurities in the water to promote the transfer of electricity. – No white film or dust left behind like other steam humidifiers.
