Epic Flight School - Train Today to Become an Airline ...

Flight Center International is a flight training academy operating North Perry Airport in South Florida.We offer a wide variety of flight training certifications to help you become a pilot at your pace. Start off your training with a private pilot certification, and move on towards an instrument rating, commercial, multi engine, and instructor training.

Miami Aviation School - Flight Center International

In the summer of 2018, Musser relocated to Williamsport and took his Cessna 172 trainer with him. "That left the Wellsboro airport with no plane that could be used for training or be rented by qualified pilots who did not own a plane to do the required two-year flight reviews and instrument pilot certifications," Bowser said.
