eschatology: it

Online Library

1964 John

analyzes all the major eschatological passages (including the Olivet Discourse and the book of Revelation), issues (including the second coming of Christ, the millennium, the rapture, and Antichrist), and positions (including all the major views of the millennium) in a clear,

eschatology is
relevant for our lives.
Biblical Eschatology
makes understanding
eschatology easier by
including chapters on

of eschatological thought, and by placing eschatology in the context of the Bible's overall story line and structure.

Clarity and understanding are enhanced by the use of comparative tables and appendices.

Subject and Scripture indexes are included.

The book interacts
