Account-Based Marketing is changing the discipline of marketing Why? Business-to-business (B2B) companies spend \$40 Billion on marketing each year, and they embrace tech-driven innovations, yet the traditional model for lead generation has not changed for decades. Why? In addition to the techniques being outdated, they create friction and distrust between marketing and sales teams. ABM has quickly gained traction with leading B2B companies because it aligns sales and marketing teams around the accounts that will have the most business impact. Instead of chasing a large volume of lower-quality, generic leads, ABM helps sales and marketing professionals coordinate their efforts against a specific set of target accounts. Despite the clear advantages of ABM, there continues to be much confusion around just how to implement it. Written by the leaders behind the successful marketing firm Demandbase, Account-Based Marketing explains how to execute a world-class ABM strategy from start to finish. Find out exactly how highly successful B2B companies are using Account-Based Marketing to grow their customer base Develop an effective strategy to adapt ABM principles for your own organization with its own unique needs Integrate your sales and marketing processes into an efficient, cohesive workflow Locate and attract the ideal clients for your business to increase revenue and open up new opportunities From building the right target account list and understanding the impact of ABM on marketing programs, to selling ABM within an organization and finding budget for the strategy, you'll find it all in this authoritative guide.

As some of today's major and complex companies are worth more than the GDPs of some countries, traditional marketing approaches, such as glossy corporate campaigns, will have limited returns. Account-based marketing, also known as client-centric marketing, treats important individual accounts as markets in their own right, to help strengthen relationships, build reputation, and increase revenues in important accounts. A Practitioner's Guide to Account-Based Marketing outlines a clear, step-by-step process for readers to harness ABM tools and techniques and set up ABM programmes. Featuring insights from practising professionals and case studies from organizations including Microsoft, Accenture, O2 and Fujitsu, it also contains guidance on developing the competencies needed for account-based marketing and managing your ABM career. This updated second edition contains further discussion on how ABM initiatives can go from a pilot to being embedded in a business, new material on quantified value propositions and updated wider research. Meticulously researched and highly practical, A Practitioner's Guide to Account-Based Marketing will help all marketers to deliver successful B2B marketing.

Instant Bestseller on Amazon in Marketing and Sales! FACT: Less than ONE percent of all leads become customers. As a business, how can you break that trend and achieve client fidelity? In this book we reveal the secrets behind the framework that will sell and retain your customers. Did you know that less than one percent of all leads become customers? It is a true and shocking stat, but there is a way to stop the waste and flip this around. In this highly anticipated book, we reveal the secrets behind our signature TEAM - Target, Engage, Activate, and Measure - framework to transform your approach to market, increase sales, and retain your ideal customers. Account-Based Marketing (ABM) is the new B2B. It's time to challenge the status quo of B2B Marketing and Sales, and transition to what the business arena already expects as the updated B2B model. A transformation like this can only happen through an account-based approach that unites marketing, sales, and customer success teams (go-to-market teams) as #OneTeam. In summary, the TEAM framework coupled with the account-based approach enables your company to focus on the target accounts, engage them in a meaningful way, activate the sales team with top tier accounts proactively, and finally measure success based on business outcomes over vanity metrics. It's time to take the lead and transition your business to ABM. The process is simple when you have the right book - ABM is B2B. What are you waiting for?

Account-based marketing, also known as client-centric marketing, is in the process of transforming modern marketing practice. It involves taking a strategic approach to business to business marketing, whereby important individual accounts are treated as markets in their own right. After all, many of the world's leading companies have annual revenues the size of some countries' GDP, so for the businesses that provide services and solutions to these companies, such key accounts truly do represent a global market. A Practitioner's Guide to Account-Based Marketing explores the development of account-based marketing (ABM) as a business practice, and outlines a clear, step-by-step process for readers who wish to set up an ABM programme to accelerate growth. Rich with fascinating case studies and personal stories, A Practitioner's Guide to Account-Based Marketing offers readers privileged access to lessons learned by pioneering companies in the field, including BT, Fujitsu, IBM, Juniper Networks, Microsoft, SAP, and many more. The text is fully endorsed by the Information Technology Services Marketing Association (ITSMA), who run the only formally recognized qualification in the sector: the Account-Based Marketing Certification Programme. Meticulously researched and highly practical, A Practitioner's Guide to Account-Based Marketing will help all

marketers strengthen relationships, build reputation, and increase revenues in their most important accounts.

The most important thing for you to realize - from the outset - is that this is not a book about marketing. The world of business-to-business revenue generation has evolved to the point that, no matter what your functional role, account based marketing will play a pivotal part in your individual and company's success or failure. Are you in sales? Account based marketing will be the single largest component of the quality of revenue that you generate. Are you in customer success? Account based marketing will be the foundation of your customer's overall satisfaction. Are you in marketing? Account Based Marketing (ABM) will be the most highly leveraged tool in your arsenal of tools.

No Forms. No Spam. No Cold Calls. is a rallying cry for a new generation of sales and marketing leaders who are ready to ditch the traditional strategies, tactics, and technologies that are no longer working to deliver breakthrough results. Every organization wants to predictably grow revenue. The challenge facing sellers and marketers today is that B2B buyers have taken control of the buying journey, making it nearly impossible for business leaders to accurately predict anything, especially revenue growth. Prospects are being bombarded from all sides with forms, emails, and annoying phone calls as they try to research our solutions. So what do they do? They protect themselves by researching anonymously and not revealing themselves to us until their decision is made. That means that as sellers and marketers, we've lost our opportunity to influence the buying journey - that is, if we're still clinging to the traditional lead-based tools and strategies that we're used to. It's time for a new paradigm. Pioneering CMO Latané Conant delivers a step-by-step guide that will transform the way you think about marketing and selling in the modern age. Often challenging but never dull, No Forms. No Spam. No Cold Calls. delivers uncomfortable truths about the status quo - starting with Latané's first breakthrough that our old-school tactics not only treat our future customers like dirt, they also encourage the anonymous buying we're trying to combat. This book challenges sales and marketing leaders to engage customers the right way if you want to achieve predictable revenue growth. Latané lays out exactly how to enable your sales and marketing teams to take pride in the customer experience and finally align on how to put your prospects at the center of everything you do. In doing that, you'll learn to uncover customer demand, prioritize which accounts to work, engage the entire customer buying team, and measure real success. With this customer-first approach, you'll be able to confidently take down the forms, stop sending bulk emails, and quit making cold calls - and achieve breakthrough results.
