honest, and revealing co-memoir by Brie and Nikki Bella: twin sisters, WWE Hall of Fame inductees, and stars of the hit E! shows Total Bellas and Total Divas. As twins, the Bellas have always competed. Legend has it that Nikki drop-kicked Brie in the womb so that she could make her grand entrance first. But the rest of the world often treated them as identical and even interchangeable, so they decided to do something about it. After they made it into WWE, the Bellas accomplished so much together: bringing in young girls and women while building the Bella Army, helping the transition of female performers from Divas to Superstars, starring in Total Divas and Total Bellas, and founding companies like Birdiebee, Nicole + Brizee Beauty, and Bonita Bonita Wine. Though their early journey began with loss, abuse, and plenty of rough

her husband, Marc Chagall, grew up. Her warm reminiscences of Jewish family life in pre-Revolutionary Russia are illustrated with thirty-six pen-and-ink drawings by Marc Chagall. Bella Chagall, a gifted author and actress, was the youngest of seven children born to a well-to-do Hasidic family. While living in France in the 1930s, the Chagalls conceived the idea of commemorating their native town with a book. The title they chose was *Burning Lights*, an allusion to the festive candles that in their childhood had lit up the holidays of the Jewish year.

This independent film stunned Hollywood and the film world by winning the most prestigious film festival award, the "People's Choice Award" at the largest film festival in the world, the Toronto Film Festival. This book tells the remarkable story of how this uplifting film with its story about love, sacrifice, family and redemption was made on a "shoestring budget" in a very short period of time for a feature film, yet has had a powerful impact on millions of people with its life affirming message. The book includes inspiring insights and stories from famous and common people about how this film touched their lives. The lavish photos and lovely book design, combined with the book's stirring messages, make this a wonderful collector's book and a perfect gift book.
