JerryUs, American Airlines, Bank of America, and Walt Disney Imagineering. More importantly, though, it balances this exposure with a well-developed and consistently applied process approach to communication. Students need more than real business settings in which to frame their learning. They need a process that outlines specific steps to follow in solving future communication problems, a tangible strategy they can apply in their careers. In addition to a process, we provide ample products of that process.

This book takes the reader inside some of the country's best-run and most respected organizations, providing an exciting, real-life business environment atmosphere. More importantly, it balances this exposure with a well-developed, consistently applied process approach to communication. Readers learn a tangible process for solving future communication problems applicable to their present careers.

Improve your language skills with the proven grammar instruction, helpful learning features and corresponding online resources in Guffey/Seefer's market-leading BUSINESS ENGLISH, 13E. This outstanding leader in grammar and mechanics books uses a three-level approach to separate topics into manageable units that help you hone the critical skills needed to communicate professionally. Packed with insights from the authors' more than 60 years of combined classroom experience, this edition is the only book of its kind on the market that provides prompt feedback with answers and explanations from the authors so that you know immediately if you have answered correctly. Updates now reflect contemporary examples of language use, including grammar in entertainment, the news and social media.
