and absurdity. For this updated and expanded fifth edition, Drew Knowles has included it all: magnificent architecture, natural wonders, Art Deco masterpieces, vintage motels and cafes, unique museums, offbeat attractions, fascinating artifacts and icons, and kitschy tourist traps. The addition of city maps, showing the multiple paths of Route 66 and displaying the exact locations of points of interest, is a major improvement over the already critically acclaimed fourth edition of the book. The fifth edition also includes hundreds of beautiful new photographs and the addition of dozens of new attractions. Additionally, GPS coordinates have been added for virtually all of the photos, so that travelers can plug the information into their smartphones and other navigation devices and instantly determine where each photo was taken and compare it to the condition of that particular site at the time of their visit. Filled

Encyclopedia. In one handy volume, novices and seasoned roadies alike have fast and easy access to all of the essential information about America's most famous, beloved, and culturally significant highway. Presenting a list of important terms accompanied by descriptive articles and illustrations, the guide details the route's history—including the origins of the term "Mother Road" and the slogan "Get Your Kicks on Route 66"—as well as its commemorative festivals, quirkiest attractions, and useful highway terms. Fascinating trivia will allow road warriors to impress friends and fellow travelers with their knowledge of the route, while a supplemental list directs dedicated fans to more detailed information on one of the most historic and treasured drives in America. Finally, a set of maps provides both general orientation and points out significant attractions through the use of custom

icons. Route 66 Quick Reference Encyclopedia is truly an A-to-Z guide to the absolute best of the Mother Road!

“You’ll never understand America until you’ve driven Route 66—that’s old Route 66—all the way,” a truck driver in California once said to author Rick Antonson. “It’s the most famous highway in the world.” With some determination, grit, and a good sense of direction, one can still find and drive on 90 percent of the original Route 66 today. This travelogue follows Rick and his travel companion Peter along 2,400 miles through eight states from Chicago to Los Angeles as they discover the old Route 66. With surprising and obscure stories about Route 66 personalities like Woody Guthrie, John Steinbeck, Al Capone, Salvador Dali, Dorothea Lange, Cyrus Avery (the Father of Route 66), the Harvey

Girls, Mickey Mantle, and Bobby Troup (songwriter of “(Get Your Kicks on) Route 66”), Antonson’s fresh perspective reads like an easy drive down a forgotten road: winding, stopping now and then to mingle with the locals and reminisce about times gone by, and then getting stuck in the mud, sucked into its charms. Rick mixes hilarious anecdotes of happenstance travel with the route’s difficult history, its rise and fall in popularity, and above all, its place in legend. The author has committed part of his book’s proceeds to the preservation work of the National Route 66 Federation.

The world's most amazing guide to Route 66 just got even better. This expanded second edition has: More photographs Every Rt 66 community now indexed for easy locating Orientation maps for all eight states Freshly updated information throughout Now includes

the revealing "Book of Revolutions"! And STILL with the same great features that thousands of Mother Road explorers continue to swear by: How to Find Route 66 - a step by step guide to the techniques that help identify authentic highway stretches, whether marked or not Town by town descriptions of unique features, must-see attractions, and local history Further Afield - our famous suggestions for short side trips that enrich your Route 66 experience even more Bonus: Information on the many other colorful byways that Route 66 encounters along the way -- including the National Road, the Chisholm Trail, and many more -- that are sure to inspire even further exploration

Begun in 1926 to connect Chicago to Los Angeles, Route 66 was the country's first major east-west thoroughfare. By 1930 it was an

important route for both truckers and travellers alike, and in 1939 it became known as 'The Mother Road' thanks to John Steinbeck's classic *The Grapes of Wrath*. Over the years, hundreds of thousands of Americans travelled this great road from those heading west during the Great Depression to postwar families taking road trips across the country – but by the 1970s four-lane highways, expressways, and tollways had largely supplanted it, and Route 66 fell into disrepair. In this book, authority David Knudson traces the fascinating story of The Mother Road from origins to decline, including the roadside attractions and cottage industries it spawned and the efforts to save and restore it.

Fully revised and expanded New stories-more details -Nearly 30 feet of strip maps -350 towns and attractions -More highway

Known as the Main Street of America and the Mother Road, U.S. Route 66 is the nation's best known highway. Once the microcosm of a culture increasingly connected by automobiles, its sights and attractions are now a fascinating reflection of a nation on the move. Travel this iconic highway through the heart of America with Route 66 Backroads as your guide. This lavishly illustrated book steers you from Chicago to Los Angeles, traveling through the lowlands of the American Plains and the high plateaus of New Mexico and Arizona, from the Great Lakes to the mighty Pacific Ocean, and through major metropolises and remote country towns. Branch
