I have just started using the 4th
edition of Schaum's College Algebra. It
is largely unchanged from previous
editions, which I also used for review
and new learning in the recent and
distant past. I have started a Notes
and Errata page on my website, for
any glitches that I happen to find.

Read Free College Algebra Fourth Edition

College Algebra is known for enabling students to "see the math"; through its focus on visualization and early introduction to functions. With the Fourth Edition, the authors continue to innovate by incorporating more ongoing review to help students develop their understanding and study effectively. Mid-chapter Review exercise sets have been added to give ...
