Modern funk drumming explained! Rock, Latin, Samba, and Blues rhythms have evolved and melded into what is known today as funk drumming. This book is designed for teachers and intermediate to advanced drum students. A basic knowledge of quarter note and eighth note rhythms is all that is you need to begin this book. Simple to complex rhythms are presented in a progressive manner.

This is the most complete presentation of today's popular funk drumming style available. This book takes you from the very roots of rock and rhythm'n'blues drumming to the highly complex, multidirectional funk styles of today. He also details certain subtleties heretofore only a seasoned veteran would understand. While most drum instruction book concentrate on developing technique, reading ability, or independent coordination, this unique book accurately documents what is hip in rock'n'roll drumming today. the contents are geared to prepare the student for survival in a live playing situation. the book is a valid representation of what people want to hear from a drummer in a working situation - live or in the studio. It contains exercises drawn from many different influences covering coordination, rhythms, patterns, and phrasing.

Transcriptions of over 100 famous drum set rhythms from the classic funk, R&B and soul tunes of the '60s & '70's. the accompanying 90 track CD features the author playing many of the rhythms transcribed in the book and is meant as an educational tool.

"This is the most complete presentation of today's popular funk drumming style available. This book takes you from the very roots of rock and rhythm'n'blues drumming to the highly complex, multidirectional funk styles of today. He also details certain subtleties heretofore only a seasoned veteran would understand. While most drum instruction book concentrate on developing technique, reading ability, or independent coordination, this unique book accurately documents what is hip in rock'n'roll drumming today. The contents are geared to prepare the student for survival in a live playing situation. The book is a valid representation of what people want to hear from a drummer in a working situation - live or in the studio. It contains exercises drawn from many different influences covering coordination, rhythms, patterns, and phrasing."

Introduces the Rock drummer to the techniques, rudiments and rhythms required to play the more interesting and advanced drum patterns used in Rock, Jazz & Funk music today. Includes sample drum solos in the styles of several great drummers.

Basic drum set coordination can be learned very quickly using vocal sounds instead of written notes. Drums from Day One is an adaptation of the proven [solfege] technique to the drum set. [Solfege] (singing musical notes with syllables) has been used for hundreds of years by teachers of virtually every other musical instrument. The traditional way of beginning the drums by studying and analyzing written drum notation and applying various notes to the four limbs is a complex task that takes a good deal of time. Although reading and writing music will also be covered in this book, beginners can get started much faster with the [solfege] system. This is not a [quick fix] or a promise to make you a drum expert in one day, but this method has been tested and proven with hundreds of students over the years and it is very efficient and offers immediate results. The student will learn to play 8 songs in all the basic styles: Rock, Blues, Shuffle and Funk. The songs are especially designed and graded for beginners, and are recorded with and without drums on the companion audio. Includes access to online audio containing recorded examples of all the exercises in the book.

This 248 page book is an exciting documentation of the innovative period of the '60s and '70s when the rhythm of popular music was changed forever. Featured here are biographies, interviews, discographies and rare archival photos of more than 20 great drummers of R&B, funk and soul, including the drummers of James Brown, Earth, Wind and Fire, Otis Redding and Sly and the Family Stone. the true originators of the modern hip-hop beats tell their stories, and the history of the funk comes to life. Appropriate for music fans of all kinds, and all drummers: beginners thru advanced.

An introduction to linear time playing. The first section contains basic exercises for linear playing skills: voice coordination, dynamic balance, accenting, and more. The second section deals with the development of time feels in the linear style, including 4/4, half-time, shuffle, and odd meter feels.

Modern Drummer 2010 Readers Poll Winner! The Total Rock Drummer is a unique and exciting journey through the diverse world of rock drumming. Start with basic lessons in keeping a beat, and work your way up to playing sophisticated fills and solos. This book features many of the styles that make rock drumming so challenging yet rewarding, and is meant for all drummers--from beginners to advanced players. Learn everything from rockabilly and reggae to funk and progressive rock. The book and CD include actual drumbeats from famous rock tunes by Led Zeppelin, Van Halen, Red Hot Chili Peppers, Metallica, The Police, Tool, Green Day, and more! This is the one place to get everything you need to make you a great rock drummer.

The story of the rhythmic revolution of R&B, funk, and soul, as told by the drummers themselves. Includes interviews, discographies, rare photos, transcriptions, and an accompanying CD with over 90 drum set rhythms. The drummers include Earl Palmer, John "Jabo" Starks, Clyde Stubblefield, Jimmy Madison, Roger Hawkins, James Gadsen, Al Jackson, Jr., Bernard "Pretty" Purdie, Greg Errico, Andy Newmark, Maurice White, David Garibaldi, and Mike Clark.
