Created by Jimmy Perry, With Arthur Lowe, John Le Mesurier, Clive Dunn, John Laurie. His Lordship's butler Perkins makes Captain Mainwaring lose a shooting bet by telling them to stop target practice while his master is asleep, Captain Mainwaring agrees with the platoon's bitter rival warden Hodges that their contribution to the war effort needs more local respect.

"Dad's Army" Wake-Up Walmington (TV Episode 1977) - IMDb

We have a separate page devoted to Walmington-on-Sea. Legacy. Dad's Army came to an end after 9 series and 80 programmes in 1977 with the episode Never Too Old – although when it was shot no decision had been made to stop filming, it was clear that this was a real possibility and Perry and Croft took the unusual step of having the cast break the fourth wall to address the viewers directly in raising a closing toast to Britain's Home Guard. Before the series had ended there had ...

A facsimile of the Walmington-on-Sea Home Guard Training Manual recently discovered in the attic of a house in the town. Found in a trunk amongst a pile of HOTSPUR comics, it belonged to Private Pike and features his handwritten marginal notes on the text plus his personal jottings on matters of rather less importance than the defence of the realm, such as films he has seen, girls he has dated and the progress of Aston Villa FC. The book bears the official crest and stamp of the Queen's Own Royal West Kent Regiment, to which the platoon belongs. Although aged and covered with stains, boot prints, tears and scorch marks, it is in a reasonable condition for facsimile printing. The manual is Capt Mainwaring's attempt to ready the platoon to face (and recognize) the enemy in the coming invasion of Britain.

Ronnie Barker was one of our most respected and best-loved comedy actors and here, in this fascinating biography, Richard Webber delves deep in to the heart of Barker's life and career, peppering his narrative with original and incisive memories from some of Barker's closest contemporaries, including Ronnie Corbett, Michael Palin and Barry Cryer. Star of the much-adored comedy classics *Porridge*, *The Two Ronnies* - one of the most successful and long-running television comedy shows ever on British television - and *Open All Hours*, Ronnie Barker was universally admired by the public and industry insiders alike. From his early days writing for and performing skits on *The Frost Report* right up to his retirement in 1988, he lit up television screens across the country with his wonderful gift for comedy and his remarkable skill for character acting. Beyond his performances on the stage and screen, Barker was also an accomplished comedy writer, providing many of the sketches and songs for *The Two Ronnies* and contributing material to a number of other television and radio shows. And despite his retirement he retained pole position in the public's affection, returning to the screen in 1999 to team up with his erstwhile comedy partner and great friend Ronnie Corbett for a *Two Ronnies* night on BBC1, followed by a BAFTA tribute in 2004 and a final appearance on television in 2005 on *The Two Ronnies Christmas Sketchbook*. Effortlessly funny, universally adored and an actor and writer responsible for some of Britain's best-loved and most-respected comedy, Ronnie Barker was a true comedy legend. Here he's brought to the page in winning style as he's remembered by those who best loved and knew him.

When we laugh at *Dad's Army* we laugh at ourselves, and more than 30 years after it was first broadcast, millions of us are still laughing - whenever and wherever it is repeated. With contributions from the people who planned, produced and performed the programme, and material drawn from the BBC archives, acclaimed author Graham McCann has written was should prove to be the definitive story of a very British comedy. This is the story of a classic British sit-com and its enduring appeal.
