From New York Times Bestselling Author Elisabeth Naughton, the first story in a series about brotherhood, survival and unexpected love in a world filled with magic and betrayal. Careful what you wish for... Sentenced as a pleasure slave, Djinn Prince Tariq of the Marid tribe has but one duty: travel into the human realm and corrupt souls by granting wishes to the women who possess the Firebrand opal, a gemstone of magical power. Ten years of imprisonment have left Tariq bitter, but to save his brothers' lives, he'll submit to his endless personal hell, even if it means giving up his own hope for freedom. When Mira Dawson obtains the Firebrand opal, she's sure the rumors about its magical qualities must be fiction. Until, that is, she touches the stone and a dark and dangerous warrior appears in her living room, offering to pleasure her beyond her wildest dreams. Soon, fantasy becomes a temptation she can't deny. The only question left is...will the pleasure be worth the price? Because as Mira's been warned, nothing...not even fantasies...are free.
