Deutsch Aktuell takes students on a journey of discovery. This three-level German program uses the vibrant thread of rich, authentic culture to weave together an engaging real-life experience with the language and the people who speak it. Deutsch Aktuell will challenge your students, keep them engaged, and put them on a path to life-long fluency. From the start, your students will "live the language" through an instructional design that provides: Open-ended, engaging communicative activities; Lively, authentic cultural coverage; Engaging technology components that speak to today's student; Intensive, varied practice opportunities, rooted in authentic applications. - Publisher.

An international business expert helps you understand and navigate cultural differences in this insightful and practical guide, perfect for both your work and personal life. Americans precede anything

negative with three nice comments; French, Dutch, Israelis, and Germans get straight to the point; Latin Americans and Asians are steeped in hierarchy; Scandinavians think the best boss is just one of the crowd. It's no surprise that when they try and talk to each other, chaos breaks out. In *The Culture Map*, INSEAD professor Erin Meyer is your guide through this subtle, sometimes treacherous terrain in which people from starkly different backgrounds are expected to work harmoniously together. She provides a field-tested model for decoding how cultural differences impact international business, and combines a smart analytical framework with practical, actionable advice.

"This is a program that focuses on all 3 modes of communication (interpersonal, presentational, interpretive) and was designed with the Common Core State Standards (CCSS) in mind."--Amazon/Publisher.

Suitable for both independent study and class use, this text comprises an accessible reference grammar and related exercises in a single volume.

DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on building listening, speaking, reading, and writing skills. Manageable for two-semester courses, the Tenth Edition covers grammar in a logical sequence. Each chapter contains many function-based activities that focus on specific emotional expressions. Students are introduced to contemporary life and culture in German speaking countries through a cast of recurring characters who appear in the "Bausteine für Gespräche" (dialogues) and in some readings and exercises.
