A better version of the manual for the DigiTech JamMan Solo XT looper. This book makes the complicated JamMan easy-to-use, even if you have never used a looper before. The JamMan is a great looper. It may be complicated, but after reading this book, you'll be able to use it with ease.

(Ukulele). Learn notes, chords, songs, and playing techniques from the master of modern ukulele! In this unique book with online audio and video, Jake Shimabukuro will get you started on playing the ukulele. The book includes full transcriptions of every example, the video features Jake teaching you everything you need to know, and the audio features recordings of all the examples. In addition, the video includes performances of Jake playing some of his most popular arrangements such as "While My Guitar Gently Weeps" and "Ukulele Five-Oh," among others. The audio and video is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

(Drum Instruction). In "Dubstep Drumming," world-class educator Donny Gruendler walks you through today's most popular dubstep grooves, winding hi-hat patterns, and DJ-esque textures for the drumset. Clear drumset-based demonstrations, exercises, play-alongs, and practice methods help you faithfully replicate these items quickly and efficiently. Also presented are a detailed historical study, an outline of dubstep production methods, and acoustic kit sound modification technique.

(Ukulele). Over 400 songs packed into one convenient songbook that lets you play all the songs you've ever wanted to, including: All Shook Up * Blowin' in the Wind * California Dreamin' * Don't Worry, Be Happy * Edelweiss * Free Fallin' * Georgia on My Mind * Hallelujah * Hey, Soul Sister * Hotel California * Imagine * Jambalaya * Kokomo * Lean on Me * Margaritaville * Over the Rainbow * Proud Mary * Que Sera, Sera * Rolling in the Deep * Singin' in the Rain * Stand by Me * Tears in Heaven * Ukulele Lady * Viva La Vida * What a Wonderful World * Your Cheatin' Heart * Zip-a-Dee-Doo-Dah * and hundreds more! Includes chord grids for soprano, concert and tenor ukuleles.

Tom McKenney takes the reader behind the closed doors of Freemasonry, revealing what he believes to be a deadly deception for those who belong to the organization, a deception that leads sincere people in a direction contrary to the program of God.

(Book). We proudly present the fifth edition of Maurice J. Summerfield's highly acclaimed ultimate reference book on the classical guitar. This brand new book features all the original biographical entries updated with new photographs where applicable, plus 100 new biographical entries in the players, composers and makers section for a total of over 485. This new edition gives the reader a full and clear picture of the classical guitar's development since the beginning of the nineteenth century. Also included are informative sections on composers, scholars, flamenco guitarists and guitar makers. The book's collection of several hundred photographs is the most complete to be published in one volume. There are extensive listings of the most important classical guitar recordings. The final section, Sources of Supply, guides readers to where they can obtain the books, recordings, music and magazines listed in the book. Without a doubt, this new edition will be the essential work of reference on the subject of classical guitar for years to come! "My sincere congratulations to Maurice Summerfield." Andres Segovia

After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend, and her soul makes a first step to healing.

Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Illustrator CS5 choose Adobe Illustrator CS5 Classroom in a Book from the Adobe Creative Team at Adobe Press. The 15 project-based lessons in this book show readers step-by-step the key techniques for working in Illustrator CS5. Readers learn how to create vector artwork for virtually any project and across multiple media: print, websites, interactive projects, and video. In addition to learning the key elements of the Illustrator interface, they'll learn how to integrate their artwork with Adobe Flash movies, Adobe InDesign layouts, and Adobe Flash Catalyst software to add interaction to their designs. This completely revised CS5 edition covers new perspective drawing tools, variable-width watercolor strokes, multiple artboards with video-specific presets, the new realistic Bristle brush and Shape Builder tool, and the ability to maintain consistent raster effects across media. "The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students." Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training. Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this eBook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

"The train jerks to a halt, and as I get out at Oxford Circus, Stewart gets out with me. We look at each other, laugh, and make the standard remark about it being a small world. But this is the brilliant collision, one train later and it might all have turned out differently." In this extraordinary memoir, world-renowned guitarist Andy Summers provides a revealing and passionate account of a life dedicated to music. From his first guitar at age thirteen and his early days on the English music scene to the ascendancy of his band, the Police, Summers recounts his relationships and encounters with the Big Roll Band, Jimi Hendrix, Eric Clapton, the Animals, John Belushi, and others, all the while proving himself a master of telling detail and dramatic anecdote. But, of course, the early work is only part of the story, and Andy's account of his role as guitarist for the Police—a gig that was only confirmed by a chance encounter with drummer Stewart Copeland on a London train—has been long-awaited by music fans worldwide. The heights of fame that the Police achieved have rarely been duplicated, and the band's triumphs were rivaled only by the personal chaos that such success brought about, an insight never lost on Summers in the telling. Complete with never-before-published photos from Summers's personal collection, One Train Later is a constantly surprising and poignant memoir, and the work of a world-class musician and a first-class writer.
