" Heather Gudenkauf is one of my favorite new authors. " —Lisa Scottoline In this ripped-from-the-headlines tour de force, New York Times bestselling author Heather Gudenkauf shows how one small mistake can have life-altering consequences... Veteran social worker Ellen Moore is a fiercely dedicated children ' s advocate. But a simple moment of distraction will have repercussions that Ellen could never have imagined, threatening to shatter everything she holds dear and trapping her between the gears of the system she works for. Meanwhile, when ten-year-old Jenny Briard suddenly finds herself on her own, she is forced to survive with nothing but a few dollars and her street smarts. The last thing she wants is a social worker, but when Elen ' s and Jenny ' s lives collide, little do they know just how much they can help one another. A powerful and emotionally charged tale about motherhood and justice, Little Mercies is a searing portrait of the tenuous grasp we have on the things we love most, and the ties that unexpectedly bring us together. Originally published in 2014. Don ' t miss Heather Gudenkauf ' s newest novel NOT A SOUND, out May 30, 2017!
