This report focuses on issues relating to the development and implementation of educational programs for and placement of national origin minority students identified as having limited English proficiency. It examines the present-day barriers that prevent students with limited English proficiency from having an equal opportunity to participate in educational programs. The report evaluates and analyzes the Office for Civil Rights' (OCR) implementation, compliance, and enforcement effort for Title VI of the Civil Rights Act of 1964 and Lau v. Nichols.

Reflects philosophy of Model Curriculum Guide for the English-Language Arts (K-8).
