With its simple instructions and stunning inspirational illustrations, Flowers: The Watercolor Artpad is the perfect introduction to the timeless art of painting flowers in watercolors. Inside the book are 15 pages of simple line drawings of flowers--from wild poppies to sculpted calla lilies--printed on high-quality watercolor paper for you to remove and paint. The outlines allow you to skip the sketching and simply begin painting. Each sketch is accompanied by a color guide and a completed version of the same flower to serve as a model and inspiration as you paint your own. Using simple terms and step-by-step illustrations, the author explains the basic tenants of botanical watercolor showing you how to layer delicate washes of color and subtle shading so you can easily master the art of creating beautiful, life-like flowers. All you need is this book and some paint to get started today!

Provides pull-out tracings for nine floral paintings, along with instructions for how to bring them to life with watercolour paint. This book offers guidance on how to transfer the tracings to watercolour paper, along with a section on what materials to use.

With each project celebrating the basic assemblage of plants?the stem, the petal, the filament, and more?watercolorists and horticulturalists alike will enjoy this resource. Long the skill of choice among field botanists, botanical portraiture emphasizes the specimen against a white background, removed from the distractions of its environment, and presents the structure and elegance of each flower in beautiful detail. Artists are provided with five step-by-step projects, each accompanied by a tracing paper that removes the often daunting drawing and layout process. By keeping the focus on improving brush technique, capturing the subject, and selecting and blending true-to-life colors, painting flowers in watercolor has never been easier or more fun. An informative video of Terry Harrison demonstrating the concept behind the Ready to Paint Series can be found here: http://www.youtube.com/watch?v=MKBmK17q6M

This is a book on teaching you how to paint flowers with watercolor. It talks about materials, equipment, composition. direct painting, drybrush, using opaque, wash-over-wash, different types of flowers, lighting etc.--

A book of floral sketches printed on lovely watercolor paper invites artistic experimentation with only a brush and paint. Each page is double-sided, offering the opportunity to paint the same page in different ways.The flowers are just some of the beautiful illustrations you will find in this coloring book.The watercolor coloring style is novel and our unique designs will need your creativity to get inspiration with fabulous illustrations for your wall or your next artistic work. This coloring book is made up drawings being perfect for colorists allowing the maximum performance of their abilities in the choice and combination of colors in a practical, relaxed and fun way.When you start coloring, think about the drawing process and the colors and nothing else.

For amateur artists who want to learn to paint flowers but lack basic drawing skills, this painting guide will help widen their repertoire of watercolor technique. Featuring six tracings for flower-painting enthusiasts to pull out and transfer on to watercolor paper, this art resource features step-by-step instructions and photographs on creating vibrant color washes. Projects include a sunflower bouquet, poppies, tulips, iris, and buddleia.

Even beginners will be able to produce beautiful watercolour paintings of birds with the help of the guided projects in this book. Fifteen original artworks by acclaimed artist Emma Faull have been reproduced as outlines on high-quality watercolour paper, so that you can achieve beautiful results and enjoy the relaxing practice of watercolour painting. At the front of the book, you'll find inspiration in Emma's original artworks, as well as the recommended colour palettes to use. You'll also find advice from the artist on how to get started and guidance on professional watercolour techniques. To get started, simply choose an outline on watercolour paper and pull it out of the book, then follow the artist's step-by-step advice on creating beautiful watercolours and use the gallery of finished artworks as a guide. The professional paper will also work beautifully with other media, such as acrylic paint, artists' pencils and art brush or marker pens. Includes the following birds: European Goldfinch Peacock Hummingbird American Blue Jay Woodpecker Wren Mandarin Duck Golden Eagle ...and more.

Make your own collection of botanical watercolor paintings with this instruction book. Once upon a time, a vase of beautifully arranged flowers was the perfect subject for a watercolor still life. Today, indoor house plants reign supreme and palms have replaced peonies as the botanical of choice for artists. With clear step-by-step instructions, illustrator and plant lover Nikki Strange shows you how to paint a range of lush, leafy plants. Learn fundamental watercolor techniques as you recreate the glossy leaves of a monstera. Master the art of mixing delicate hues by painting different succulents. Duplicate the intricate leaves of a fern with a variety of brushes. The instruction book is printed with light guidelines for each project. With Nikki's beautiful artwork to follow and photos of dreamy interiors to inspire your decorating, this book has everything you need to add a botanical touch to your space.

This stunning guide with original artworks by Emma Faull will enable painters of all abilities to create exquisite watercolour paintings of birds. Even beginners will be able to produce beautiful watercolour paintings of birds with the help of the guided projects in this book.
