Ideally suited to the board-book format, *Here Are My Hands* invites very young children to respond spontaneously and creatively as they learn the parts of the body. The rhyming text and bold illustrations do more than name the eyes, ears, nose, and toes. By featuring children of many different backgrounds, the book quietly celebrates the commonality of people around the wor.

Here Are My Hands. Author: Bill Martin Jr. and John Archambault. 24 to 35 Months Concept Predictable Text. Simple, repetitive, rhyming text and beautiful drawings of children help explain body parts and what we do with them.

Here Are My Hands - Nemours Reading BrightStart!

A surprising celebration of physiological parts and their uses that includes: "Here are my hands for catching and throwing. Here are my feet for stopping and going. . . . Here is my elbow, my arm, and my chin. And here is my skin that bundles me in." Rand's pictures spill off the page as different children enact the very funny, very pure chant.

Preschoolers can learn how to name their eyes, ears, nose, and hands in this amusing board book with rhyming text and bold illustrations.

The owner of a human body celebrates it by pointing out various parts and mentioning their functions, from "hands for catching and throwing" to the "skin that bundles me in."

Thumbs up foods are just the beginning! A fantastic book that associates each finger with foods to eat, making choices easy and fun! Cyndi Dale, author of *The Subtle Body Encyclopedia* Here is a must-have book for every parent trying to teach their children healthy eating habits. Lindsey Smith, author of *Junk Foods & Junk Moods* This book helps parents start their kids on a healthy path that will benefit them the rest of their lives. Lisa Mentgen-Gordon, CEO, Healing Touch Program The illustrations are luminous and help kids take a colorful, energetic interest in what they eat. Marla Feingold, Certified Clinical Nutritionist and Dietician

Palermo, Sicily, 1978. The Christian Democrat leader Aldo Moro has just been kidnapped in Rome by members of the notorious Red Brigades. Two months after his disappearance on 9th May, Moro is found dead in the boot of a car. A trio of eleven-year-old schoolboys, Nimbo, Raggio, and Volo, avidly follow the news of the abduction as their admiration for the brigatisti grows. When the boys themselves resolve to abduct a classmate and incarcerate him in a makeshift 'people's prison', the darkness within their world, and the world of the novel, becomes all-pervasive. A vivid and hellish description of Sicily in the late seventies, *Time on My Hands* is an unforgettable novel from a significant new voice in Italian fiction.

The author recounts her childhood in late-nineteenth-century Nebraska, describes her adult life on a ranch, and discusses her lifelong interest in making quilts

Providing maximum support to emergent readers with repetitive, predictable story lines and illustrations that match the text, these books offer engaging stories that will inspire confidence in young readers. These books help develop fluency, vocabulary and comprehension.

"First published in Great Britain in 2001 by Andersen Press Ltd."

Sherell Watson's debut poetry collection, *Even If My Hands Were Full*, is an overflowing love letter to its readers, taking us on a wild journey through the many kinds of devotion our hearts can get tangled in. In this work, love is certainly the answer to every question, but it also causes and inspires each one of those doubts in a compelling loop that allows us to really examine what it is to desire and be desired. While loss plays a huge role in Watson's poems, she's also aware of being the pillar for someone else. "The one you seek for advice and love and comfort and heat in the darkest hour." *Even If My Hands Were Full* knows this darkest hour, but the collection also opens up our mind and spirit to show us what aspects of life are truly deserving of our attention. We begin in a place of deep honesty, unafraid of the uncertainty that lost love can bring, and through powerful rhythms and rhymes we learn that there is strength in vulnerability, and true knowledge to be gained when love is found: "we exist / once our lips touch, /as soon as we kiss. . ." Watson assures us in "Kissing You." Unfolding a profound understanding of the transformative power of loss and desire, and the cleansing energy of self-awareness, these lines get at the heart of a speaker coming to terms with her own agency and power in relationships. *Even If My Hands Were Full* lights the way, shining as an affirmation and showing us we hold the key to unlocking our happiness: "On this day I rise and vow to change this moment, this minute, this hour."

Text and photographs introduce hands and feet, and ways to keep them healthy.

Walking down a dark lonely road on an errand one night, a brother and sister argue over who is afraid of the dread Ghost-Eye tree.
