Hungry by H.A Swain (Sophia Bazzano) **Money Hungry Chapter 1** New Release Tuesday Week of December 31 Choose From My Haul #1 **Young Adult Book News 6th Jan 2014** *Hungry Ha Swain*

At a first glance, Hunger by H.A Swain might seem like a promising book. The book is set in a futuristic society where a company, One World, owns the supply of artificial elixirs (called Synthamil) that replace real food. With One World based solely on profit, this book explores the theme of freedom where genetically modified individuals who are immune to Synthamil are taken into custody, as ...

A futuristic thriller about the colonization of and culture clashes between the Moon and Earth from H.A. Swain, the author of *Hungry* and *Gifted*. Sol is the month between June and July on the thirteen-month Moon calendar. It's the only time teenagers have to themselves between rigorous scientific training and their ultimate lab assignments in their colony on the Moon. Their families emigrated from Earth to build better lives; but life on the Moon is far from perfect, as Uma learns on the eve of Sol. Uma meets an Earthen girl who becomes a fast friend, and much more. What Uma doesn't know is that the

spaceways many times. However, Haral's fortunes had taken a turn for the worse, and he soon became a downtrodden, bitter would-be conqueror haunting the dives on a backwater planet called Ulna. But his fate took an unexpected turn when a beautiful blonde-haired priestess, fleeing from a space pirate's hordes, fell into his lap. From this priestess Haral learned of an ancient woman-goddess who, according to legend, lay sleeping in a lost city surrounded by a legion of terrifying monsters. This ancient goddess, whose face was half-hidden by a jeweled veil, was known as a woman of

ultimate beauty, possessing secrets of great power. And she still lay there, in her crumbling city, waiting for someone to awaken her... The second novel, "The Secret of Planetoid 88," is by Ed Earl Repp. Dane Cabot was just one of many slaves of the dictators--"The Hundred" as they were known--who ruled Earth with an iron hand. After a joy ride to a distant planetoid, Cabot returned to Earth to find himself falsely accused of murder. There was no trial--The Hundred didn't operate that way. He was soon sentenced to die. But when a mysterious stranger interceded, Cabot found

himself a stowaway on a space cruiser headed for Io, moon of Jupiter. There Cabot found a tiny colony of rebels with a master plan for the eventual freedom of Earth's enslaved populace. But radiation from Jupiter's Great Red Spot was slowly destroying Io. So Cabot and his fellow rebels found themselves in a desperate race against time. Could they orchestrate their plans before the rising tide of planet-wide disintegration overtook them? Deep in the void of space was a secret, a secret that was the key to freedom--if they could find it in time...
