Florists, bakers and the like might as well look elsewhere as this van is best at home thundering up and down the highways of Britain laden down to the gills with cargo. Gross ...

The brilliant prequel to JACK ABSOLUTE... London 1759 and Jack's life is easy. A scholar at Westminster School, a master with cricket bat or billiard cue, the leader of a gang of bucks about the Town, he has both a girl he worships and a courtesan teaching him the more basic arts of love. Yet he plans to give up all carousing, sit the examinations for Cambridge, find a career in any field he chooses. If he can just stay out of trouble for one night... From the billiard halls and brothels of London to a clash of Empires on the Plains of Abraham, Jack's life is forever altered by the tragedies of that night. Through duels, battles, frantic escapes and a brutal winter spent in a cave in Canada, the schoolboy will vanish, and a man appear. But first he must learn to kill. To come of age, Jack Absolute must be blooded.

This stylish and inspiring book contains all the information campers need to make the most of the wonderful waterside locations throughout the UK and Ireland. Covering all kinds of camping (caravan, campsite and wild), the book starts by showing how to plan your trip, what gear to take and how to get stuck into all the fantastic water-based activities on offer, such as sailing, kayaking, angling, surfing and wild swimming. Tip boxes, top 10 features and gorgeous photos combine to give readers all the knowledge and inspiration they need to get out there, whether they're on their own, part of a family or with a group of friends. The main part of the guide is organised by region, but also searchable by activity. Each region has an overview, and within it the best sites to visit, with useful information (best times of year to go, activities on offer, facilities, cost), advice on most attractive pitches, contact details and photos. There is a huge variety of sites here, all with something unique to offer, and helpful maps plot each one clearly. With a Foreword by One Man and his Campervan's Martin Dorey, this is the essential guidebook for all campers, showing how it really is possible to pitch up in paradise. This 2nd edition is thoroughly updated throughout, featuring new campsites and photography.
