Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (Mera Naam Joker, 1970) to the naughty ninety-year-old (Kapoor & Sons, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (Bobby, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films

Download Free Khullam Khulla Rishi Kapoor Uncensored Meena

like Do Dooni Chaar, D-Day, Agneepath and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of Khullam Khulla. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in Mera Naam Joker, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most dil se biography an Indian star has ever penned.

An extraordinary, riveting and no-holds-barred saga studded with fascinating behind-the-scenes revelations, anecdotes and rare nuggets of lessons Anupam Kher's life story is nothing short of a grand masala box office hit. It has drama, comedy, romance and even action! Who knew that a small-town Shimla boy would one day become one of the most recognised actors in the world and go on to win various national and international awards for his contribution in the field of cinema and arts? A powerhouse of talent with over 530 films (and counting) in his repertoire, Anupam Kher stands out not only because of his iconic bald head, but also for his forthright views and opinions, however controversial they may be. He has always been distinct and offbeat. His autobiography is, too . . . for it is not just another chronological account of his life. It is, in fact, also peppered with incredible life lessons that are bound to resonate with every aspiring artiste and, most of all, the common man. Here is a kaleidoscopic peep into the life and times of a true genius and forever entertainer.

Raj Kapoor, the creator of some of Hindi cinema's most enduring classics, is one of the greatest film-makers India has ever produced. As producer, director, actor, editor, storyteller, he blazed a trail for subsequent generations of film-makers to follow and aspire to. He was also known to the world as an extraordinary and controversial showman, an entertainer par excellence, someone who created the template for Hindi cinema. Raj Kapoor: The One and Only Showman is a unique experiment, both an autobiography and a biography. While the autobiography uses his own words, culled from interviews, journals and anecdotes, to provide an intimate glimpse into the mind of a genius, the biography is an attempt to record for posterity the lesser-known facets of his magnificent personality through the recollections of his family, colleagues and friends. As revealing as it is engaging, this is a fascinating portrait of the man regarded as the last of the true movie moguls of Indian cinema.

Rekha's sexual openness raised eyebrows and rattled people. Bollywood wasn't ready for such an irrepressible woman, and tried to suppress her. This book tells the truth about her relationship with the reigning superstar of the time, her many other lovers, and the shocking suicide of her husband

India's top Bollywood biographer tells the uncensored story of Sanjay's roller-coaster life Ð from the tragic deaths of both

his mother and his first wife to the time he smuggled heroin into the US and from the painful rehab he had to go through to his curious phone calls to gangster Chhota Shakeel.

Karan Johar is synonymous with success, panache, quick wit, and outspokenness, which sometimes inadvertently creates controversy and makes headlines. KJo, as he is popularly called, has been a much-loved Bollywood film director, producer, actor, and discoverer of new talent. With his flagship Dharma Production, he has constantly challenged the norms, written and rewritten rules, and set trends. But who is the man behind the icon that we all know? Baring all for the first time in his autobiography, *An Unsuitable Boy*, KJo reminisces about his childhood, the influence of his Sindhi mother and Punjabi father, obsession with Bollywood, foray into films, friendships with Aditya Chopra, SRK and Kajol, his love life, the AIB Roast, and much more. In his trademark frank style, he talks about the ever-changing face of Indian cinema, challenges and learnings, as well as friendships and rivalries in the industry. Honest, heart-warming and insightful, *An Unsuitable Boy* is both the story of the life of an exceptional film-maker at the peak of his powers and of an equally extraordinary human being who shows you how to survive and succeed in life.

An authentic, heartfelt and compelling narrative – straight from the horse’s mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is ‘full of distortions and misinformation’, he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was *Jwar Bhata* (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as *Jugnu*, *Shaheed*, *Mela*, *Andaz*, *Deedar*, *Daag* and *Devdas*. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as *Azaad* and *Kohinoor*, apart from a scintillating portrayal as a gritty tonga driver in *Naya Daur*. After a five-year break he started his ‘second innings’ with *Kranti* (1981), after which he appeared in a series of hits such as *Vidhaata*, *Shakti*, *Mashaal*, *Karma*, *Saudagar* and *Qila*.

Mahi: The Story of India's Most Successful Captain charts the dynamic rise of one of India's most talented and charismatic

Download Free Khullam Khulla Rishi Kapoor Uncensored Meena

cricketers and captains. From playing tennis-ball cricket in Ranchi and Kharagpur to his patented helicopter shot, Dhoni has come a long way with his grit and determination. With best ODI and Test records among all Indian captains to date, it is his simple and down-to-earth attitude that works wonders for the captain as well as the team.

A must-read for Dev Anand fans and students of film history “A broken nose sometimes makes a great boxer,” said the evergreen Bollywood star Dev Anand after his movie *Ishq Ishq Ishq* did not work at the box office. In his sixty-five years of unchallenged dominance as the most-loved Hindi film star, Dev Anand gave us several memorable hits like *Guide*, *Taxi Driver*, *Hum Dono*, *Johnny Mera Naam*, and *Hare Rama Hare Krishna*. He was not only an exceptionally handsome and stylish hero. His ‘man of the future’ philosophy is worth emulating by persons of all generations. He neither celebrated his successes nor lamented over his failures. A Karma Yogi, in the true sense of the term, he produced, directed, and acted in a lead role in a movie at the age of eighty-eight, which is without parallel in the history of Bollywood. The book attempts to analyse why his philosophy of life is a source of inspiration for all. It also gives a detailed filmography from *Hum Ek Hain* to *Charge Sheet*, with a separate chapter on *Guide*, and a special write-up on his genius brother Vijay Anand.
