The basic cargo and general service models of the Australian Land Rover 110 are known as the "Truck, Utility, Lightweight, MC2" and the "Truck, Utility, Lightweight, Winch, MC2" respectively. There are several specialist variants of the Australian Land Rover 110, but the base vehicle is the same in most cases. Although never its official name, the Australian Defence Force Land Rover 110 is known among military vehicle enthusiasts as the "Perentie." They are almost universally considered to be the most capable Land Rover 110/Defender vehicles in the world. The "Perentie" was popularised around the world as Major Les Hiddins' vehicle in the hit TV series "Bush Tucker Man." This handbook reproduces the Australian Army's Electrical and Mechanical Engineering Instructions for the basic Land Rover "Perentie." It's 622 pages comprise a complete electrical and mechanical repair and servicing handbook for these iconic vehicles. It covers everything from basic servicing to complete rebuilds of the vehicle.
