This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel Freak the Mighty, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.

Imagine having an energetic and passionate Spanish teacher walk right into your home and sit down to teach your students. That can virtually happen when children learn with Spanish for Children author Julia Kraut on the corresponding DVD and Chant CD set. Pronunciation will become a breeze and don't be surprised to hear even your youngest children picking up the catchy chants and songs. Each lesson (average length 15 minutes), corresponds to the weekly chapter in the Primer, and features Julia and her students chanting their weekly grammar charts and vocabulary, with visual images of the words. Following the vocabulary lesson, Julia Kraut carefully and thoroughly explains Spanish grammar, with the goal of teaching students to create their own sentences, and express exactly what they need to say, rather than simply mimicking common phrases.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That ' s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That ' s where Will ' s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother ' s gun. He gets on the elevator, seventh floor, stoked. He knows who he ' s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that ' s when Will sees that one bullet is missing. And the only one who could have fired Shawn ' s gun was Shawn. Huh. Will didn ' t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck ' s in the elevator? Just as Will ' s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck ' s cigarette. Will doesn ' t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
