David Weber's Like a Mighty Army is the hotly anticipated seventh volume in the New York Times bestselling Safehold series For centuries, the world of Safehold, last redoubt of the human race, lay under the unchallenged rule of the Church of God Awaiting. The Church permitted nothing new--no new inventions, no new understandings of the world. What no one knew was that the Church was an elaborate fraud--a high-tech system established by a rebel faction of Safehold's founders, meant to keep humanity hidden from the powerful alien race that had destroyed old Earth. Then awoke Merlyn Athrawes, cybernetic avatar of a warrior a thousand years dead, felled in the war in which Earth was lost. Monk, warrior, counselor to princes and kings, Merlyn has one purpose: to restart the history of the too-long-hidden human race. And now the fight is thoroughly underway. The island empire of Charis has declared its independence from the Church, and with Merlyn's help has vaulted forward into a new age of steam-powered efficiency. Fending off the wounded Church, Charis has drawn more and more of the countries of Safehold to the cause of independence and self-determination. But at a heavy cost in bloodshed and loss--a cost felt by nobody more keenly than Merlyn Athrawes. The wounded Church is regrouping. Its armies and resources are vast. At the Sign of Triumph: David Weber's New York Times-bestselling Safehold series begun with Off Armageddon Reef, By Schism Rent Asunder, By Heresies Distressed, A Mighty Fortress and How Firm a Foundation. The Church of God Awaiting's triumph over Charis was inevitable. Despite its prosperity, the Charis was a single, small island realm. It boasted less than two percent of the total population of Safehold. How could it possibly resist total destruction? The Church had every reason to be confident of a swift, crushing victory, an object lesson to other rebels. But Charis had something far more powerful than simple numbers. It had a king, a crown prince, and a navy prepared to die where they stood in its defense. It had the Brethren of Saint Zherneau, who knew the truth about Safehold's founding. Who knew that the Church of God Awaiting was a monstrous lie. And it had Merlin Athrawes, last survivor of long-vanished Earth. Merlin, the cybernetic avatar of a woman dead over a thousand years, who was determined to break the Church's grip upon the human mind and soul. So after eight years of war, it is not Charis but the Church that stands upon the brink of defeat. But the Church still

commands immense resources, and — faced with the unthinkable — it's decided that it, too, must embrace the forbidden technology which has carried Charis so far. In the end, it is simple, for only one can survive. The lines are drawn, the navies and armies have been raised, and all of Safehold is poised for the final battle between those who believe in freedom and those who would crush it forever. Hell's Foundations Quiver: David Weber's New York Times-bestselling Safehold series begun with Off Armageddon Reef, By Schism Rent Asunder, By Heresies Distressed, A Mighty Fortress and Like a Mighty Army. TURNING OF THE TIDE Centuries ago, the human race fought its first great war against an alien race-and lost. A tiny population of human beings fled to distant Safehold. Centuries later, their descendants have forgotten their history; for them, life has been an eternal Middle Ages, ruled by the Church of God Awaiting, whose secret purpose is to prevent the re-emergence of industrial civilization. But not all of Safehold's founders were on board with this plan. Those dissidents left behind their own secret legacies. One of those is Merlyn Athrawes, cybernetic avatar of one of Earth's long-dead defenders, now reawakened after a thousand years to restart human progress and reclaim our place in the universe. Merlyn has intervened in the small Safeholdian realm of Charis, seeding it with ideas and innovations and helping it to rise to challenge the hegemony of the Church. It's been a long and bloody fight, but aided by a stream of inventions--breech-loading rifles, signal rockets, claymore mines, new approaches to manufacturing and supply-Charis and its few allies seem to have finally gained the upper hand. Now major realms have begun to consider switching sides. To all these ends, Merlyn Athrawes has been everywhere, under multiple disguises and wielding hidden powers. The secret of who and what he is has been closely held. But a new player has arrived, one who knows many secrets-including Merlyn's own. Safehold Series 1. Off Armageddon Reef 2. Humanity pushed its way to the stars - and encountered the Gbaba, a ruthless alien race that nearly wiped us out. Earth and her colonies are now smoldering ruins, and the few survivors have fled to distant, Earth-like Safehold, to try to rebuild. But the Gbaba can detect the emissions of an industrial civilization, so the human rulers of Safehold have taken extraordinary measures: with mind control and hidden high technology, they've built a religion in which every Safeholdian believes, a religion designed to keep Safehold society medieval forever. 800 years pass. In a hidden chamber on Safehold, an android from the far human past awakens. This "rebirth" was set in motion centuries before, by a faction that opposed shackling humanity with a concocted religion. Via automated recordings, "Nimue" - or, rather, the android with the memories of Lieutenant Commander Nimue Alban - is told her fate: she will emerge into Safeholdian society, suitably disguised, and begin the process of provoking the technological progress which the Church of God Awaiting has worked for centuries to prevent. Nothing about this will be easy. To better deal with a medieval society, "Nimue" takes a new gender and a new name, "Merlin." His formidable powers and access to caches of hidden high technology will need to be carefully concealed. And he'll need to find a base of operations, a Safeholdian country that's just a little more freewheeling, a little less orthodox, a little more open to the new. And thus Merlin comes to Charis, a mid-sized kingdom with a talent for naval warfare. He plans to make the acquaintance of King Haarahld and Crown Prince Cayleb, and maybe, just maybe, kick off a new era of invention. Which is bound to draw the attention of the Church...and, inevitably, lead to war. It's going to be a long, long process. And David

The latest novel in the New York Times-bestselling series begun with Off Armageddon Reef, By Schism Rent Asunder, and By Heresies Distressed. Young Cayleb Ahrmahk has accomplished things few people could even dream of. Not yet even thirty years old, he's won the most crushing naval victories in human history. He's smashed a hostile alliance of no less than five princedoms and won the hand of the beautiful young Queen Sharleyan of Chisholm. Cayleb and Sharleyan have created the Charisian Empire, the greatest naval power in the history of Safehold, and they've turned Charis into a place of refuge for all who treasure freedom. Their success may prove short-lived. The Church of God Awaiting, which controls most of Safehold, has decreed their destruction. Mother Church's entire purpose is to prevent the very things to which Charis is committed. Since the first attempt to crush the heretics failed, the Church has no choice but to adopt some of the hated Charisian innovations for themselves. Soon a mighty fleet will sail against Cayleb, destroying everything in its path. But there are still matters about which the Church knows nothing, including Cayleb and Sharleyan's adviser, friend, and guardian- the mystic warrior-monk named Merlin Athrawes. Merlin knows all about battles against impossible odds, because he is in fact the cybernetic avatar of a young woman named Nimue Alban, who died a thousand years before. As Nimue, Merlin saw the entire Terran Federation go down in fire and slaughter at the hands of a foe it could not defeat. He knows that Safehold is the last human planet in existence, and that the stasis the Church was created to enforce will be the human race's death sentence if it is allowed to stand. The juggernaut is rumbling down on Charis, but Merlin Athrawes and a handful of extraordinary human beings stand in its path. The Church is about to discover just how potent the power of human freedom truly is, in David Weber's A Mighty Fortress. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. The sequel to the New York Times best seller Off Armageddon Reef The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin-a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Schism has come to the world of Safehold. Nothing will ever be the same... in David Weber's By Schism Rent Asunder. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. In David Weber's *By Heresies Distressed*, the battle for the soul of the planet Safehold has begun. The Kingdom of Charis and the Kingdom of Chisholm have joined together, pledged to stand against the tyranny of a corrupt Church. The youthful Queen Sharleyan of Chisholm has wed King Cayleb of Charis, forging a single dynasty, a single empire, dedicated to the defense of human freedom. Crowned Empress of that empire, Sharleyan has found in Cayleb's arms the love she never dared hope for in a "marriage of state." In Cayleb's cause, his defiance of the ruthless Group of Four who govern mother Church, she has found the task to which she can commit her mind and her courage. It is a cause for which she was born. Yet there are things Sharleyan still does not know. Secrets Cayleb has not been permitted to share, even with her. Secrets like the true story of humanity on Safehold. Like the intricate web of lies, deception, and fabricated "religion" which have chained humanity for almost a thousand years. Like the existence of the genocidal alien Gbaba, waiting to complete mankind's destruction should humans ever attract their attention once more. Like the existence of a young woman, Nimue Alban, nine hundred years dead, whose heart, mind, and memories live on within the android body of the warrior-monk she knows as Merlin. And so Empress Sharleyan faces the great challenge of her life unaware of all that task truly entails...or of how the secrets the man who loves her cannot share may threaten all they have achieved between them...and her own life.
