The tropical botanist shares the story of her adventures doing pioneering ecological research in forest canopies of Australia, Africa, Belize, and the United States.

Includes a reader's guide and an author's note.

How far does your love reach? The love we share with our families is the first love we know. I Love You To The Treetops shares the vast, unconditional love between a parent, grandparent, or caregiver, and child. From treetops to deserts, waterfalls, forests or savannahs, the love of a parent or caregiver to their child stretches to every inch of the world. Cherish the love you share, while your imaginations explore the world and universe in the process. Treasure and celebrate kindness and love with the children in your life when you read I Love You To The Treetops.

Siblings forge new paths and find love in three stories filled with the wonder of Christmas. Turn back the clock to a different time, listen to Bing Crosby sing of sleigh bells in the snow, as the realities of America's involvement in the Second World War change the lives of the Turner family in Lafayette, Indiana. In Cara Putman's White Christmas, Abigail Turner is holding down the Home Front as a college student and a part-time employee at a

one-of-a-kind candy shop. Loss of a beau to the war has Abigail skittish about romantic entanglements—until a hard-working young man with a serious problem needs her help. Abigail's brother Pete is a fighter pilot hero returned from the European Theater in Sarah Sundin's *I'll Be Home for Christmas*, trying to recapture the hope and peace his time at war has eroded. But when he encounters a precocious little girl in need of Pete's friendship, can he convince her widowed mother that he's no longer the bully she once knew? In Tricia Goyer's *Have Yourself a Merry Little Christmas*, Meredith Turner, "Merry" to those who know her best, is using her skills as a combat nurse on the frontline in the Netherlands. Halfway around the world from home, Merry never expects to face her deepest betrayal head on, but that's precisely what God has in mind to redeem her broken heart. The Turner family believes in God's providence during such a tumultuous time. Can they absorb the miracle of Christ's birth and His plan for a future?

Swaying in the Treetops is an endearing narrative following Scott and Katherine Rosenow and their experiences in adopting eighteen children combined with four biological children. From their marriage, experiences with Christian faith, traumas and children with special needs, Katherine and Scott Rosenow share their personal journey, spiritual development and experiences with emotional intelligence. Their narrative shares views on touchy subjects related to childbirth and family any reader would value. Their narrative voices are wise, keeping God in the center of their lives, giving you comforting scriptures and inspiring values to overcome turmoil and strengthen your faith and prayer.

If I could keep you little, I'd keep you close to me. But then I'd miss you growing into who you're meant to be! *If I Could Keep You Little* speaks straight to every parent's heart, exploring the powerful feeling of wanting your child to grow up while savoring every moment. Sure to become a new favorite, this book showcases author/illustrator Marianne Richmond's ability to beautifully illustrate the complex emotions we all have.

"Jonah Lehrer has a lot to offer the world...The book is interesting on nearly every page...Good writers make writing look easy, but what people like Lehrer do is not easy at all." —David Brooks, *The New York Times* Book Review Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

In this compelling companion volume to her acclaimed memoir *Home Before Dark*, Susan Cheever once again gives readers a revealing look into her famous family, whose secrets and eccentricities parallel their genius and successes. Set against the backdrop of *Treetops*, the New Hampshire family retreat where the Cheevers still summer, and going back several generations, this powerful remembrance focuses on Susan Cheever's mother's family, and includes portraits of her great-grandfather, Thomas Watson, who invented the telephone with Alexander Graham Bell, and her grandfather Milton Winternitz, a brilliant doctor who built Yale Medical School. And of course there is her beloved and talented father John Cheever, the accomplished author who became one of the most well-known writers of the century, often using his family as material. Perhaps most riveting about Susan Cheever's second biographical masterpiece is its exploration of the lives of the Cheever women. At once a unique family portrait and the tale of every family, *Treetops* draws us effortlessly into a fascinating yet endearingly familiar world.

The laugh-out-loud new novel from the bestselling author, perfect for fans of Sarah Morgan, Jo Watson and Holly Martin.
