The first instalment of the Death in Paradise Mysteries, perfect for fans of Caroline Graham and Agatha Christie DI Richard Poole has been seconded from London to the beautiful Caribbean island of Saint Marie. More comfortable in woollen suits than short-sleeved shirts, he's struggling to adapt to his new home. But this paradise is about to get deadly. When self-appointed guru Aslan Kennedy gets murdered in his spiritual retreat for wealthy holidaymakers, it's down to DI Poole to find the killer. The murder took place in a locked room with five other people inside, and when someone confesses, it seems an open and shut case. But DI Poole knows the facts just don't add up, and there is more to the mystery than meets the eye.... A Meditation on Murder is the first in the Death in Paradise Mysteries, from the creator of the hit TV series, Death in Paradise. What people are saying: "Sometimes a reader needs to curl up with a deliciously good book and disappear from their own world for awhile. Murder Caribbean-Style spirited me away into a world that oozed with the charms of such exotic locations as Barbados, St. Thomas, Sint Maarten and Puerto Rico. Diane Rapp offers a gift to her readers: She whets an adventurer's appetite with zesty, vivid descriptions of fascinating out-of-the-way places at each port, sites that are unknown to many tourists. We are treated to descriptions of not only the duties of personnel on a cruise ship but, more so, their very human nuances." Review by Doreen Cox. Book Description: When Kayla Sanders accepts a free Caribbean cruise aboard the Aurora, she gets sucked into a modern-day mutiny culminating in the murder of her ex-lover, Patrick MacIntyre. When Kayla was denied a well-deserved promotion, she resigned. Kayla's shipboard friends applauded her bravery, but she knew the truth. Reeling from the painful humiliation inflicted by an unfaithful lover, Kayla welcomed an excuse to run home and hide. Living like a hermit in Colorado she worked days as a typist and wrote a Caribbean guidebook at night. Four years later, Kayla arrives on board her old ship and savors the VIP treatment afforded a published author-until Patrick falls dead at her feet. Plunging into a frenzied investigation to discover the killer before police arrest her friends, Kayla bumps into Steven Young every time she uncovers a clue. They soon join forces to unravel the mystery and spark a fledgling romance. Like a tightrope walker balancing between passion and peril, Kayla risks her life to unearth the truth behind Patrick's death and free herself from his memory. Should she trust Steven and risk another broken heart-or worse?

Cindy and Clint are enjoying their honeymoon when paradise quickly turns into hell. Clint drowns in a freak accident in the ocean. The local police are quick to insist that he was caught in a sudden riptide. But Cindy, left all alone, is not convinced. She realizes that the only way to get answers, and to save her own life, is to return to where it all began: Barbados.

America's secret war in the Caribbean during the Cold War is revealed as never before in this riveting story of the machinations and blunders of superpowers, and the daring of the mavericks who took them on. During the presidencies of Eisenhower, Kennedy and Johnson, the Caribbean was in crisis, while the United States and the USSR acted out the world's rising tensions in its island nations. Meanwhile the leaders of these nations - the charismatic Fidel Castro, and his mysterious brother Raúl; the ideologue Che Guevara; the capricious psychopath Rafael Trujillo; and François 'Papa Doc' Duvalier, a buttoned-down doctor with interests in Vodou, embezzlement and torture - had ambitions of their own. Alex von

Tunzelmann's brilliant narrative follows these five rivals and accomplices from the beginning of the Cold War to its end. The superpowers thought they could use these Caribbean leaders as puppets, but what neither bargained on was that their puppets would come to life. The United States, in its all-consuming fight against communism, stumbled into one disaster after another. First, with the Bay of Pigs, and then with the Cuban Missile Crisis, it helped bring the world as close to catastrophic nuclear war as it has ever been. *Red Heat* is an authoritative and eye-opening account of a wildly dramatic and dangerous era of international politics that has unmistakable resonance today.

Cuban-American cooking show star Miriam Quiñones-Smith becomes a seasoned sleuth in Raquel V. Reyes's *Caribbean Kitchen Mystery* debut, a savory treat for fans of Joanne Fluke and Jenn McKinlay. Food anthropologist Miriam Quiñones-Smith's move from New York to Coral Shores, Miami, puts her academic career on hold to stay at home with her young son. Adding to her funk is an opinionated mother-in-law and a husband rekindling a friendship with his ex. Gracias to her best friend, Alma, she gets a short-term job as a Caribbean cooking expert on a Spanish-language morning TV show. But when the newly minted star attends a Women's Club luncheon, a socialite sitting at her table suddenly falls face-first into the chicken salad, never to nibble again. When a second woman dies soon after, suspicions coalesce around a controversial Cuban herbalist, Dr. Fuentes--especially after the morning show's host collapses while interviewing him. Detective Pullman is not happy to find Miriam at every turn. After he catches her breaking into the doctor's apothecary, he enlists her help as eyes and ears to the places he can't access, namely the Spanish-speaking community and the tawny Coral Shores social scene. As the ingredients to the deadly scheme begin blending together, Miriam is on the verge of learning how and why the women died. But her snooping may turn out to be a recipe for her own murder.

A New York Times Notable Book of 2020 "'Saint X' is hypnotic. Schaitkin's characters...are so intelligent and distinctive it feels not just easy, but necessary, to follow them. I devoured [it] in a day." -Oyinkan Braithwaite, New York Times Book Review When you lose the person who is most essential to you, who do you become? Recommended by Entertainment Weekly, included in Good Morning America's 20 Books We're Excited for in 2020 & named as one of Vogue's Best Books to Read This Winter, Bustle's Most Anticipated Books of February 2020, and O Magazine's 14 of the Best Books to Read This February! Hailed as a "marvel of a book" and "brilliant and unflinching," Alexis Schaitkin's stunning debut, *Saint X*, is a haunting portrait of grief, obsession, and the bond between two sisters never truly given the chance to know one another. Claire is only seven years old when her college-age sister, Alison, disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X. Several days later, Alison's body is found in a remote spot on a nearby cay, and two local men-employees at the resort-are arrested. But the evidence is slim, the timeline against it, and the men are soon released. The story turns into national tabloid news, a lurid mystery that will go unsolved. For Claire and her parents, there is only the return home to broken lives. Years later, Claire is living and working in New York City when a brief but fateful encounter brings her together with Clive Richardson, one of the men originally suspected of murdering her sister. It is a moment that sets Claire on an obsessive pursuit of the truth-not only to find out what happened the night of Alison's death but also to answer the elusive question: Who exactly was her sister? At seven, Claire had been barely old enough to know her: a beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly shadows Clive, hoping to gain his trust, waiting for the slip that will reveal the truth, an unlikely attachment develops between them, two people whose lives were forever marked by the same tragedy. For readers of Emma Cline's *The Girls* and Lauren Groff's *Fates and Furies*, *Saint X* is a flawlessly drawn and deeply moving story that culminates in an emotionally powerful ending.

In the midst of gorgeous St. Bart's, a few days before Christmas, a Senator's daughter is found stabbed and strangled on the beach-the day after her engagement party. While the rich and famous are pouring in to celebrate the holidays, the local police are desperate to keep it quiet and not cause an uproar. But the Senator's family wants justice for their daughter, and they hire Cindy and Mattheus to solve the crime. As Cindy and Mattheus investigate, they meet the elite crowd surrounding the Senator's family, an exclusive world of unimaginable wealth, of luxurious parties on yachts and private villas. They learn of all the people who may have wanted the young woman dead, all the jealousies and rivalries, the secret exes and affairs. They meet her devastated fiancé, her twin sister and her distraught Mom-all intent on the killer's being found. They meet the corrupt police force, who wants them stopped, and a rich Russian mogul who controls half the island-and has his own agenda to bring down the senator. As they delve deeper, they learn the many secrets of this exclusive family and the young woman, and discover that all was not as perfect as it appeared to be. As they get close to the answers, Cindy faces personal danger, while at the same time her relationship with Mattheus grows deeper-and faces a crisis of its own. And as the two of them are about to leave the island, a sudden twist in events changes everything. Ultimately, they come to learn that on the pristine, perfect St. Bart's, everything is not always as it seems to be. *DEATH BY DESIRE* is both a stand-alone novel and Book #4 in the Caribbean Murder series, following *DEATH BY HONEYMOON* (Book #1), *DEATH BY DIVORCE* (Book #2) and *DEATH BY MARRIAGE* (Book #3).

This book discusses the recent crime and violence trends in the Caribbean highlighting its history and current challenges that continue to impede its development. Theoretical explanations are offered for the existing conditions and discussion of the need of a paradigm shift in policy development to combat the crime problem.

A storm. A disappearance. A race against time . . . Mustique is in a state of breathless calm as tropical storm Cristobal edges towards it across the Atlantic. Most villa owners have escaped the island but a few young socialites remain, unwilling to let summer's partying end. American heiress Amanda

Fortini is one such thrill-seeker - until she heads out for a morning swim and doesn't return. Detective Sergeant Solomon Nile is just 28 years old and the island's only fully trained police officer. He quickly realises he needs to contact Lord and Lady Blake, who bought the island decades ago and have invested time, money and love creating a paradise. Jasper is in St Lucia designing a new village of luxury villas but Lady Veronica (Vee to her friends) catches a plane immediately. Her beloved god-daughter, Lily, is on the island and this disappearance has alarming echoes of what happened to Lily's mother many years ago. Lady Vee would never desert a friend in need, and she can keep a cool head in a crisis. When Amanda's body is found, a murder investigation begins. Nile knows the killer must be an islander because flights and ferry crossings have stopped due to the storm warning, but the local community isn't co-operating. And then the storm hits, and someone else disappears . . .
