A poetic translation of the classic Arthurian story is an edition in alliterative language and rhyme of the epic confrontation between a young Round Table hero and a green-clad stranger who compels him to meet his destiny at the Green Chapel. Reprint. 20,000 first printing.

The Romance of the Rose has been a controversial text since it was written in the thirteenth century. There is evidence for radically different readings as early as the first half of the fourteenth century. The text provided inspiration for both courtly and didactic poets. Some read it as a celebration of human love; others as an erudite philosophical work; still others as a satirical representation of social and sexual follies. On one hand it was praised as an edifying treatise, on the other condemned as lascivious and misogynistic. Kevin Brownlee and Sylvia Huot and the contributors to this volume—Pierre-Yves Badel, Emmanuele Baumgartner, John V. Fleming, Robert Pogue Harrison, David F. Hult, Stephen G. Nichols, Lee Patterson, Daniel Poirion, Karl D. Uitti, Dieuwke E. van der Poel, and Lori Walters—represent all the major areas of current work on the Romance of the Rose, both in American and in Europe. The volume will be of value to students and scholars of medieval literature, intellectual history, and art history.

A clinical psychiatrist explores the effects of DMT, one of the most powerful psychedelics known. • A behind-the-scenes look at the cutting edge of psychedelic research. • Provides a unique scientific explanation for the phenomenon of alien abduction experiences. From 1990 to 1995 Dr. Rick Strassman conducted U.S. Government-approved and funded clinical research at the University of New Mexico in which he injected sixty volunteers with DMT, one of the most powerful psychedelics known. His detailed account of those sessions is an extraordinarily riveting inquiry into the nature of the human mind and the therapeutic potential of psychedelics. DMT, a plant-derived chemical found in the psychedelic Amazon brew, ayahuasca, is also manufactured by the human brain. In Strassman's volunteers, it consistently produced near-death and mystical experiences. Many reported convincing encounters with intelligent nonhuman presences, aliens, angels, and spirits. Nearly all felt that the sessions were among the most profound experiences of their lives. Strassman's research connects DMT with the pineal gland, considered by Hindus to be the site of the seventh chakra and by Rene Descartes to be the seat of the soul. DMT: The Spirit Molecule makes the bold case that DMT, naturally released by the pineal gland, facilitates the soul's movement in and out of the body and is an integral part of the birth and death experiences, as well as the highest states of meditation and even sexual transcendence. Strassman also believes that "alien abduction experiences" are brought on by accidental releases of DMT. If used wisely, DMT could trigger a period of remarkable progress in the scientific exploration of the most mystical regions of the human mind and soul.

a devastating war. Fate touches him one chill winter's day when he borrows the jacket of a long-dead postal worker to protect himself from the cold. The old, worn uniform still has power as a symbol of hope, and with it he begins to weave his greatest tale, of a nation on the road to recovery. This is the story of a lie that became the most powerful kind of truth. A timeless novel as urgently compelling as *War Day* or *Alas, Babylon*, David Brin's *The Postman* is the dramatically moving saga of a man who rekindled the spirit of America through the power of a dream, from a modern master of science fiction. "The Postman will keep you engrossed until you've finished the last page."—Chicago Tribune

Are you outwardly successful but inwardly do you feel like a big kid? Do you aspire to be a loving parent but all too often "lose it" in hurtful ways? Do you crave intimacy but sometimes wonder if it's worth the struggle? Or are you plagued by constant vague feelings of anxiety or depression? If any of this sounds familiar, you may be experiencing the hidden but damaging effects of a painful childhood—carrying within you a "wounded inner child" that is crying out for attention and healing. In this powerful book, John Bradshaw shows how we can learn to nurture that inner child, in essence offering ourselves the good parenting we needed and longed for. Through a step-by-step process of exploring the unfinished business of each developmental stage, we can break away from destructive family rules and roles and free ourselves to live responsibly in the present. Then, says Bradshaw, the healed inner child becomes a source of vitality, enabling us to find new joy and energy in living. *Homecoming* includes a wealth of unique case histories and interactive techniques, including questionnaires, letter-writing to the inner child, guided meditations, and affirmations. Pioneering when introduced, these classic therapies are now being validated by new discoveries in attachment research and neuroscience. No one has ever brought them to a popular audience more effectively and inspiringly than John Bradshaw.

This Covenant experience will guide participants in a comprehensive, in-depth study of the Bible over twenty-four weeks. Unlike the learning participants may have experienced in other groups, this in-depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others. Each episode connects to an aspect of this covenant relationship, which is summarized in the heading of each participant guide. COVENANT TRANSLATES INTO ACTIONS—into how we behave in our everyday lives. That's

why the second module, Living the Covenant, focuses on how the community lives out their covenant in faithful love—how it's applied to actual relationships in daily life. The books included in these eight episodes examine the practical challenges of faithful covenant life. We explore leadership problems among tribal chieftains, kings and prophets, and spiritual and political crises. They look for practical wisdom and guidance in the teachings of Israel's sages, the letters of Paul, and more. And by demonstrating how people of vastly different cultures came together in a common purpose, they show how faithful love is the root of the covenant life. Each participant in the group needs the Participant Guides and a Bible. The CEB Study Bible is preferred. The Living Participant Guide is 8 weeks long, and has a lay flat binding making it easy to take notes in the generous space provided on each page. The Living Participant Guide contains the following episodes: Episode 9: Ruth, Esther, Song of Songs Ruth, Esther, and Song of Songs are a part of the "Festival Scroll" and linked to sacred celebrations in Israel's life. In the story of Ruth, both Ruth and Boaz risk caring beyond conventional expectations, displaying faithful, expansive love with consequences for Israel's royal future. Esther risks everything to identify with her people and rescue them from a genocidal plot. Song of Songs displays the power and passion of a "crazy love" that also helps us understand God's love. Episode 10: Luke and Acts Luke and Acts offer a vision of who God is and what salvation means. For the writer of Luke, Jesus is a prophet who reveals God's heart and intention to remake human beings and the broader world through a new community gathered in Jesus' name: the church. Living out Jesus' prophetic role in the power of the Holy Spirit, the church continues God's call to changed hearts and lives. Through Jesus and the church, God's Spirit calls people to belong, serve, and love by welcoming those considered outsiders by the world. Episode 11: 2 Samuel, 1 and 2 Kings In these books the prophets serve as truth-tellers to Israel's kings. They stress that relationship rather than power is central to choosing what's best for the people God loves. Kings are at their best when they are moved by compassion that trumps every preoccupation with power. Idolatry splits our attention and distorts our priorities, distracting us from the main thing: God alone is worthy of absolute loyalty and trust. Episode 12: 1 and 2 Thessalonians, 1 and 2 Timothy, Titus 1 and 2 Thessalonians are written to a community Paul loves—a community suffering and anxious about Jesus' return. 1 and 2 Timothy and Titus (pastoral letters) are written to Paul's younger partners in ministry. While 1 Timothy is intimate, 2 Timothy reads like a last will and testament for Paul. Episode 13: Wisdom—Proverbs and Ecclesiastes Wisdom literature begins and ends with what is good for human beings in life. Starting with everyday insights gathered across time by courts scribes, these sayings are short and easy to remember. The wise person is one who understands these teachings and can apply them appropriately in real-life situations. Life is fragile and short, so wise people will enjoy family, friends, and the simple things in life. Episode 14: Philemon, Philippians, Colossians, Ephesians From a place where hope goes to die, an imprisoned Paul

says that God is able to restore hope and encourages reconciliation between Philemon (home church leader) and his runaway slave (Onesimus). To the Philippians Paul passes on an early hymn that speaks of Jesus as the self-emptying, suffering servant exalted by God. Paul is a pastoral thinker and his words about slaves and masters must be understood in the context of Jesus' expected return. Episode 15: James, Jude, 1 and 2 Peter These letters are written to churches suffering harassment and struggling to keep the faith when Jesus' promised return hasn't occurred. They are written in the voice of those closest to Jesus and speak to new circumstances and situations. Concerned about real-life issues like gossip and favoritism toward the rich, James is a practical book stressing who God is and what you should do about it. Peter writes to guide the church in a negotiated faithfulness that requires discernment. Episode 16: Prophets—Isaiah 1-39 and the Book of the Twelve The prophets express the feelings of God: God's deep love for Israel and all of humanity, but also God's deep pain, disappointment, and anger when the people fail to be a loving community of neighbors. They also communicate God's yearning to call the people back to taking care of each other, especially those they are most likely to exclude (widows, orphans, strangers/immigrants). For prophets like Hosea, God has a parent's heart and refuses to give up on a faithless people. More Questions? Visit <http://covenantbiblestudy.com/> for more information.
