Now and forever Remember the words
From my heart will always be true
Now and forever Together and all that I feel
Here's my love for you
Learning each day That the right time was so far away
To tell you the things I knew
Now it's clear That the moment We searched for is here
And counting the years Is all I want to do [Chorus]
Hold me as close
As love will allow
Until all your fears are gone ...

Our story isn't a fairytale. Ours is a love story. He was searching for the truth. I was living a lie. Our paths should never have crossed. Yet, when we kissed it felt like destiny. Falling in love was messy. We broke rules we should have followed. We made promises we couldn't keep. Forever felt impossible. Heartbreak was inevitable. Always would cost us everything. This is not a safe story. It's angsty and real and not always pretty. If you can't handle the heartbreak that great love always brings, this story may not be for you. But, if you take this journey with me, I promise, at the end, it will be worth it.

Although Jessica and Ian Clarke have been married seven years, they insist the thrill and excitement haven't dimmed. At Jessica's urging, Ian has quit his advertising job to become a struggling writer, and she supports him with her successful San Francisco boutique. Ian's financial dependence on Jessica upsets him more than he admits, and in a moment of bored malaise, Ian's first casual indiscretion will create a nightmare that threatens everything Jessica and Ian have carefully built. What he does changes their lives, and them, perhaps forever, as they struggle to pay the price of his foolhardy affair.

Saddle up for romance and adventure with the Wilde sisters! Shannon Wilde is the middle sister--and the one who loves animals. She's established her own homestead and is raising sheep for their wool. Things are going fine...until Shannon gets swept over a cliff by Matthew Tucker! Tucker seizes every opportunity to get away from civilization, but one particular walk in the woods ends with him sprinting away from an angry grizzly and plunging into a raging river, accidentally taking Shannon Wilde with him. Their adventure in the wilderness results in the solitary mountain man finding himself hitched to a young woman with a passel of relatives, a homestead, and a flock of sheep to care for. As Tucker and Shannon learn to live with each other, strange things begin to happen on Shannon's land. Someone clearly wants to drive her off, but whoever it is apparently didn't count on Tucker. Trying to scare Matthew Tucker just makes him mad--and trying to hurt the woman he's falling in love with sets off something even he never expected.

Two years ago Bernie Nolan was given the initial all-clear after a courageous battle with breast cancer. Over the moon, Bernie set about rebuilding her life and making plans for the future. Then in the summer of 2012, she was in her bedroom getting dressed when she found a lump just above her breast. Terrified, she immediately made a hospital appointment, where she was given the devastating news that the cancer had returned. It had spread to her brain, lungs, liver and bones and was incurable. Bernie's first thought was of her daughter. Erin had just turned thirteen and was approaching a time when young girls need their mums more than ever. In true Bernie spirit she vowed not to let the cancer stop her from being 'Mum'. Bernie always said that her family was her greatest achievement and she wanted to be the best wife and mother she could be in the time she had left. In this book Bernie shares her struggle to become a mother - the miscarriage she suffered and the heartbreaking stillbirth of her daughter Kate, and the joyous arrival of her beautiful daughter Erin. Bernie loved seeing this book published and was thrilled when it became a number 1 bestseller. It meant a great deal to her that so many people wanted to read her story. This is a memoir brimming with happy memories, and although Bernie tragically lost her battle on the 4th July 2013, she lives on in the hearts of the nation and in the pages of this book. Moving and wonderfully warm-hearted, this is a powerful story of a remarkable life and a mother's brave fight against a vicious disease.

This beautiful picture book will capture your family's childlike faith and imagination. I Can Only Imagine asks questions a child might ask and invites families to wonder together: What is heaven like? What does God do? What would it be like to spend a day with Jesus? Whimsical, playful illustrations and thought-provoking questions make this a book that families will cherish. Fun and vibrant illustrations offer a vivid visual and will help your children see that God can be found everywhere, every day. I think about heaven as I look up at the sky And watch the fluffy clouds roll by. The more I imagine, the more I wish I knew. I wonder, would God like pancakes with extra syrup too? And if God and I spent the day together, what exactly would we do? The Christian worship song "I Can Only Imagine" touched countless lives with its glorious representation of being in the presence of God, and this beautifully illustrated picture book invites you and your children to imagine those same wonders. Share the joy of a personal relationship with the Lord with your family today through the creative, faith-filled book I Can Only Imagine.
