But providing a sexual release may prove easier than convincing her something stronger lies between them. All he

From the irresistibly droll mind of Jim Knipfel comes *These Children Who Come at You with Knives, and Other Fairy Tales*, a series of twisted fables that echo with pinpoint acuity. A masterful storyteller whose memoirs and novels have earned him widespread acclaim, this is Knipfel's first foray into the short story, and he delivers in spades: this wickedly dark satire on the notion of happily ever after turns the traditional fairy tale on its head. Among the array of lonely losers wallowing in discontent, the enterprising reader of this volume may meet a talking chicken who learns the world has little patience for intelligence, a foul-mouthed gnome set on world domination, and a magical

In this “captivating saga” of the post-Reconstruction era, a black female journalist blazes her own trail—“unforgettable; gripping; an instant classic” (Elle). white employer. Living in the segregated quarter of Little Tunis, Ivoe immerses herself in the printed word until she earns a scholarship to the prestigious Willetson Collegiate in Austin. Finally fleeing the Jim Crow South to settle in Kansas City, Ivoe and Ona, her former teacher and present lover, start the first female-run African American newspaper, *Jam On the Vine*. In the throes of the Red Summer—the 1919 outbreak of lynchings and race riots across the Midwest—Ivoe risks her freedom and her life to call attention to the atrocities of the American prison system. Inspired by the legacy of trailblazing black women like Ida B. Wells and Charlotta Bass, LaShonda Katrice Barnett's *Jam On the Vine* is both an epic vision of the hardships that defined an era and “an ode to
