Overall, the seminar went very well in both groups, but there were some negative aspects in both seminars. In the Pride & Prejudice seminar, none of the members proposed any questions in response to an already given question (a rebuttal question). This was not the case in the Frankenstein group, which is good.

Frankenstein; or, The Modern Prometheus is a novel written by the British author Mary Shelley. The first edition was published anonymously in London in 1818, and Shelley's name appeared on the revised third edition, published in 1831. The title of the novel refers to the scientist, Victor Frankenstein, who learns how to create life and creates a being in the likeness of man, but larger than average and more powerful. In modern popular culture, people have tended to refer to the Creature as "Frankenstein" (especially in films since 1931), despite this being the name of the scientist, and the creature being unnamed in the book itself. Frankenstein is a novel infused with elements of the Gothic novel and the Romantic movement. It was also a warning against the "over-reaching" of modern man and the Industrial Revolution, alluded to in the novel's subtitle, The Modern Prometheus. The story has had an influence across literature and popular culture and spawned a complete genre of horror stories and films. It is arguably considered the first fully-realised science fiction novel and raises many issues still relevant to today's society.

Includes corrected 1818 text of the novel and seven essays about the novel.

Mary Shelley began writing Frankenstein when she was only eighteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, Frankenstein tells the story of committed science student Victor Frankenstein. Obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but; upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator, Frankenstein. Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature? In our age, filled with news of organ donation genetic engineering, and bio-terrorism, these questions are more relevant than ever.

Mentally retarded Charlie Gordon participates in an experiment which turns him into a genius but only temporarily.

A black family is united in love and pride as they struggle to overcome poverty and harsh living conditions, in the 1959 play about an embattled Chicago family.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Inspiring Dialogue helps new English teachers make dialogic teaching practices a central part of their development as teachers, while also supporting veteran teachers who would like new ideas for inspiring talk in their classrooms. Chapter by chapter, the book follows novice teachers as they build a repertoire of practices for planning for, carrying out, and assessing their efforts at dialogic teaching across the secondary English curriculum. The text also includes a section to support dialogic teacher learning communities through video study and discourse analysis. Providing a thorough discussion of the benefits of dialogic curriculum in meeting the objectives of the Common Core State Standards, this book with its companion website is an ideal resource for teacher development. Book Features: Dialogic tools for step-by-step planning within a lesson, over the course of a unit, or during an entire academic year. A user-friendly, interactive layout designed for new teachers who are pressed for time. Classroom examples addressing the challenges English teachers may face in stimulating rich learning talk in an era of standardization. A companion website with additional examples, activities, and course material. "Real talk. Real classrooms. Real students. The authors of Inspiring Dialogue have given teacher education programs a tool for introducing dialogic teaching in culturally and linguistically diverse classrooms while meeting Common Core State Standards objectives." –Maisha T. Winn, Susan J. Cellmer Chair in English Education, University of Wisconsin–Madison, author of Girl Time: Literacy, Justice and the School-to-Prison Pipeline "Inspiring Dialogue covers a comprehensive and practical set of tools and strategies for implementing dialogic instruction. . . . It is a program that has been fully tested at Michigan State University in one of the most thorough and carefully crafted teacher education programs nationally." –From the Foreword by Martin Nystrand, professor emeritus, University of Wisconsin–Madison "One of the most exciting aspects of English language arts is the discussion that can occur in the classroom. For many teachers, however, it is often a struggle to structure and implement real dialogue. Inspiring Dialogue provides specific guidance to encourage authentic conversations between teachers and students with practical advice for

implementation.” –Leila Christenbury Chair, Department of Teaching and Learning, Commonwealth Professor, English Education, School of Education, Virginia Commonwealth University Mary M. Juzwik is associate professor of language and literacy in the Department of Teacher Education at Michigan State University (MSU), and co-editor of the journal Research in the Teaching of English. Carlin Borsheim-Black is assistant professor of English language and literature at Central Michigan University (CMU). Samantha Caughlan is an assistant professor of English education in the Department of Teacher Education at MSU. Anne Heintz is an adjunct professor in the Master of Arts in Educational Technology program at MSU.

Frankenstein was published in 1818, the work of a 21-year-old genius named Mary Shelley. Hundreds of movies, adaptations, and monster masks later, its reputation remains so lively that the title has become its own word in the English language. Victor Frankenstein, a scientist, discovers the secret of reanimating the dead. After he rejects his hideous creation, not even the farthest poles of the earth will keep his bitter monster from seeking an inhuman revenge. Inspired by a uniquely Romantic view of science’s possibilities, Shelley’s masterpiece ultimately wrestles with the hidden shadows of the human mind.

The Common Core is placing a heavier emphasis on nonfiction, but that doesn't mean you have to give up your literature lessons! In this book, English teachers Stacey O'Reilly and Angie Stooksbury describe how you can combine nonfiction with fiction to meet the standards and give students a deeper understanding of what they are reading. This practical book provides a variety of nonfiction reading strategies as well as ready-to-implement lesson plans and text pairing suggestions. You will get... A variety of useful strategies to help students analyze nonfiction Sample units with step-by-step agendas and lesson plans Ready-to-use classroom handouts and rubrics for assessment Suggested text pairings across genres and time periods
