Taren Laxley has never known anything but life as a slave. When a lusty pirate kidnaps him and holds him prisoner on his ship, Taren embraces the chance to realize his dream of a seagoing life. Not only does the pirate captain offer him freedom in exchange for three years of labor and sexual servitude, but the pleasures Taren finds when he joins the captain and first mate in bed far surpass his greatest fantasies. Then, during a storm, Taren dives overboard to save another sailor and is lost at sea. He ' s rescued by lan Dunaidh, the enigmatic and seemingly ageless captain of a rival ship, the Phantom, and Taren feels an overwhelming attraction to lan that lan appears to share. Soon Taren learns a secret that will change his life forever: lan and his people are Ea, shape-shifting merfolk... and Taren is one of them too. Bound to each other by a fierce passion neither can explain or deny, Taren and lan are soon embroiled in a war and forced to fight for a future—not only for themselves but for all their kind.

Taren dives overboard and is saved by a pirate captain—his people are Ea, shape-shifting merfolk... and Taren is one of them too.

Taren will have to put his life on the line to find lan, and recover a fabled rune stone, a weapon the Ea believe will protect them.

Although the spirit beings of the four elements of nature have been represented in literature, religion, and folk tales, descriptions of these creatures have been vague, and direct experience with them is quite rare. Yet each of the four elemental kingdoms offers great gifts to humanity, if we are willing to recognize that the psychological and spiritual qualities they embody are already inherent in human nature. Mermaids dwell in the oceans, lakes, and rivers. They offer love and sharing, a sense of wonder, beauty, and innocence. Sylphs roam the sky; they represent harmony, balance, and the attainment of freedom. Gnomes live underground. Their quiet inner wisdom banishes depression and sorrow. Salamanders dwell in volcanoes and vast caverns of magma beneath the earth. They offer the power of intense heat to refine, transform, and integrate. Who are these mysterious creatures of water, air, earth, and fire? Author William Mistele has devoted a significant portion of his life to finding out. Addressing the perennial questions Why are we here? What is the deepest purpose of life? What are our options?, Mermaids, Sylphs, Gnomes, and Salamander takes the reader directly into the realms of these spirits, telling stories from their perspective. Weaving together fairy tales and poems, thoughtful analysis, and meditative exercises, Mistele illuminates the qualities these beings have mastered and humanity must begin to embrace: empathy, an inner peace with the universe, a divine level of sensuality, and a love that is everywhere in every moment. From the Trade Paperback edition.

To help break the curse placed on the ocean centuries ago, Caspian must help Stefan love again, but he'll need the Sea Witch's assistance.

A Blue Notes Novel Cary Redding is a walking contradiction. On the surface he's a renowned cellist, sought after by conductors the world over. Underneath, he's a troubled man flirting with addictions to alcohol and anonymous sex. The reason for the discord? Cary knows he's a liar, a cheat. He's the melody thief. Cary manages his double life just fine until he gets mugged on a deserted Milan street. Things look grim until handsome lawyer Antonio Bianchi steps in and saves his life. When Antonio offers something foreign to Cary--romance--Cary doesn't know what to do. But then things get even more complicated. For one thing, Antonio has a six-year-old son. For another, Cary has to confess about his alter ego and hope Antonio forgives him. Just when Cary thinks he's figured it all out, past and present collide and he is forced to choose between the family he wanted as a boy and the one he has come to love as a man.

A handsome sailor who thinks he's straight. A beautiful merman driven by desire. Fernando knows he's in trouble when his ship runs into a merman colony. Infamous for luring in ships with their ethereal song, mermen are feared. Fernando tries to escape, but when he lays eyes on gorgeous merman Arian, he wonders: does he even want to get away? Arian loves men and cannot believe his luck when a ship sails into his archipelago. When his gaze falls on Fernando, Arian wants him and no one else. But mermen are dark creatures, and it's not a question if things will go wrong-it's when. Escaping the Merman is a 70,000 word gay-for-you romance with a dark side. It features an intense love story and plenty of steam. This MM paranormal romance can be read as a standalone (HEA guaranteed) and is part of the Cursed Mermen series. Buy Escaping the Merman to dip into this fantasy romance today!

Raef, a lonely merman, spends his days watching the dashing Lord Haverford from afar and dreaming of love. When Haverford is robbed by a pirate, Raef vows to reclaim the stolen goods, hoping his victory will buy him the happiness he yearns for with Haverford. But Jon Kemp does not match what Raef knows about pirates, and the simple quest Raef anticipated turns out to be an epic journey. For while Jon might be a nobler man than Raef believed, he's still a pirate. Love and loyalty are not on Jon's agenda, and he certainly has no plans to love someone not entirely human ...

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

These Mermen Don ' t Have Tails, They ' re Deadly as Hell, and They ' ve Got Something He Wants... INFAMOUS BACHELOR and SELF-MADE BILLIONAIRE ROEN DORAN IS A BASTARD. Yes, he knows it. And no, he doesn ' t care. He ' s got money and power, and he depends on no one. But when his estranged father dies, willing him a secret island, Roen will come face to face with an even bigger secret: its occupants. And these savage, sea-obsessed warriors are quick to make their position clear: Leave now or die. There ' s only one problem. Nobody tells Roen what to do. Ever. Oh, and one other thing. He ' s just met the island ' s other new " guest " and something about her brings out his possessive side. SOLE SHIPWRECK SURVIVOR LIV STRATTON had been adrift at sea for ten grueling days when salvation miraculously appeared: an uncharted island. Only, the deceptively beautiful men who live there aren ' t interested in saving her. No, not at all. Because they somehow believe she is their property, a gift from the ocean to do with as they please. This is not good. Her only hope? Billionaire Roen Doran, of all people. A man who ' s said to care for nothing and no one. But if he ' s so heartless, then why is he about to risk everything to help her?
