I bought one thirty years ago for my mother in law (who had an Aga). Her notes are marked in the original book, which I now use (having inherited the Aga). It's so good, I've got copies of it for friends who have admired it ... definitely the book to get if you're a beginner and only buying one book.

Whether you are an AGA aficionado or have never cooked on an AGA before, Mary Berry and Lucy Young's new AGA cookbook is just what you need by your side. It is 30 years since AGA first got in touch with Mary Berry about producing the AGA handbook and 15 since she followed it up with Mary Berry's New Aga Cookbook - now she has combined, improved, updated and revamped those books with Lucy's help to produce The Complete Aga Cookbook, which deserves its place on all 21st-century kitchen shelves. There have been many new trends in cooking in the intervening years, and a plethora of new ingredients, and Mary explores them in new recipes, adapting many ideas to the Aga way of cooking. As Mary herself says, an Aga rapidly becomes the centre attraction of the kitchen, acting as a warm focus for family, friends and animals. And cooking on an Aga is a joy: its spacious ovens produce perfectly cooked dishes, time after time. But we haven't forgotten those who cook on conventional cookers and instructions are supplied on each recipe. Complete with all the AGA user information, Mary and Lucy help you get the most out of your AGA as they guide the reader through time- and energy-saving tips - from melting chocolate on the back shelf, to frying drop scones on the Boiling Plate and slow roasting overnight in your Simmering Oven. A few recipes will be familiar (adapted old favourites, which she just couldn't bear to leave out) but, whether new or old, all have been cooked to perfection in the Aga, showing how versatile it really is.

The Aga is much more than an oven: it's an icon. It's a statement. It's a way of life. Aga cookers have never been more popular, and the queen of Aga cookery is undoubtedly Amy Willcock. Here is her definitive Aga Bible, with 300 classic, timeless recipes and bags of advice and tips for Aga owners. Here are all the essential recipes that every Aga owner needs to know - from how to cook a full English breakfast on an Aga, making soups, cooking fish and roasting meats, through to baking pies, cakes and breads. The delicious family food includes Beef stroganoff, Steak, mushroom and horseradish pudding, and Bacon and egg pie, and there are stunning dinner-party recipes such as Rillettes of duck with toasted brioche, Chicken in Marsala with oranges and shallots and Parmigiano, thyme and rosemary risotto. Amy also tempts the tastebuds with a delectable range of desserts and cakes, including Raspberry souffles, Chocolate pecan tart and Lemon meringue cake. And there are 30 new and exclusive recipes, such as Moules marinieres, Crab and coconut soup and Apple and onion tart. All the recipes feature conventional cooking instructions, so even non-Aga owners can enjoy Amy's tasty dishes.

The collection of Prince Sadruddin Aga Khan contains some of the world's finest examples of painting and calligraphy and is perhaps the most important private Muslim collection of Islamic art. This volume, richly illustrated with 24 color plates and 101 black-and-white photographs, provides a brief history of the collection and offers a generous selection of paintings, manuscripts, calligraphies, bindings, and drawings that spans the geographic range of Islamic art from North Africa to India. Detailed discussions of each illustration introduce readers to the major patrons and artists in the development of the arts of the precious book. Anthony Welch and Stuart Cary Welch have selected the most magnificent pages from the prince's collection for this volume. Included are portraits of the great Mughal rulers of India, paintings from the pages of a sixteenth-century Shahnamah (Book of Kings) of Iran, and stunning examples of calligraphy. Among the Muslim manuscripts represented are Qur'ans from North Africa, Ottoman Turkey, Iran, and India; historical works such as the Ottoman illustrated manuscript of the Tuhfet ul-Letaif; philosophical treatises such as the Ethics of Nasir al-Din Tusi of India; and literary works such as the late-sixteenth-century Anvar-i Suhayli, commissioned and probably illustrated by the leading Safavid Iranian painter Sadiqi Bek. -- Inside jacket flap.
