Presents a guide to business leaders to prepare and effectively deliver presentations. Reveals how to develop your credibility, structure your message, connect with an audience and understand how you are perceived as a speaker.

Presentations are an inevitable part of a leader's day to day. They are fundamental to delivering information, motivating staff and building relationships. The Leader's Guide to Presenting is a highly practical guide to delivering engaging and influential presentations. From informal to formal settings, you'll discover how persuasion, influence and communication are critical to your own impact, the motivation and engagement of others and, ultimately, the success of your organisation. How to present when the stakes are high How to structure your message to gain agreement How to deliver with maximum impact and get the outcome you want How to pitch for success and handle difficult conversations

For leaders wanting to use proven mindfulness strategies and tools to unlock top performance and results. The Leader's Guide to Mindfulness is a highly practical guide to help you focus your attention on the present so you and your organisation can perform more effectively. With emphasis on the "why" and the "how" of mindfulness, you'll discover how to reap the performance benefits and also learn how to use mindfulness to become an emotionally agile leader. Through a combination of ground rules, practical exercises, case studies and no-nonsense advice, you'll discover how mindfulness can help you and your organisation to: Improve wellbeing and resilience Improve relationships Improve collaboration Improve creativity and innovation Improve decision making and problem-solving

Your idea may be groundbreaking. The potential profits might be exhilarating. The time to act may be right now. But if you're not able to craft and deliver a clear message that doesn't lead the audience to gain your perspective as well, that can be the difference between your pitch being transformational and becoming forgettable. Whether in a meeting or a presentation, a watercooler conversation or a formal speech, a leader's most important job is to clearly and effectively communicate. The Leader's Guide to Speaking with Presence is a concise tool kit containing more than 100 practical tips for creating and communicating meaningful messages with presence and authority. Readers will discover how to:• Present their ideas clearly and provide context • Radiate confidence and put the audience at ease • Refine their delivery • Use stories to inform, involve, and inspire • Leverage the energy of any room • Convey optimism tempered with reality to gain buy-in • Turn PowerPoint presentations into performances • And moreWhen a leader learns to own the room with an authentic and persuasive speech, the audience will become putty in his or her hands. This handy little guide helps leaders achieve the kind of genuine presence that evolves into lasting trust and quantifiable influence.

How leaders can use the right story at the right time to inspire change and action This revised and updated edition of the best-selling book A Leader's Guide to Storytelling shows how storytelling is one of the few ways to handle the most important and difficult challenges of leadership: sparking action, getting people to work together, and leading people into the future. Using myriad illustrative examples and filled with how-to techniques, this book clearly explains how you can learn to tell the right story at the right time. Stephen Denning has won awards from Financial Times, The Innovation Book Club, and 800-CEO-READ The book on leadership storytelling shows how successful leaders use stories to get their ideas across and spark enduring enthusiasm for change Stephen Denning offers a hands-on guide to unleash the power of the business narrative.

This essential guide for new and veteran school leaders explores 15 vital topics, strategies, and examples for achieving successful school leadership through effective management.

Network is a six-session dynamic program to help Christians understand who God has uniquely made them to be and mobilize them to a place of meaningful service in the local church. Each participant in Network will work through a series of assessments which leads them to discover their unique blend of spiritual gifts, personal style, and ministry passion.

PLAY ON YOUR TERMS Negotiation is THE core business skill. It is fundamental to everything we do that involves other people, whether that's asking for a raise, pitching an idea or deciding who gets the coffee. The Leader's Guide to Negotiation is a highly practical guide to getting the most out of your business interactions, whilst building stronger relationships to boot. From achieving win-win outcomes to problem-solving and building trust, it equips you with failsafe strategies for conducting successful and positive negotiations. 'An entertaining, immediately useful book that goes beyond advocating for win-win – Simon Horton shows us how to get there.' Adam Grant, Wharton Professor and New York Times bestselling author of Give and Take 'Reading this book has made me think about how I negotiate and I have learned a lot... If you want to benefit your relationships while improving your business, then this is worth studying.' Simon Woodroffe, founder of Yo!
