The Virgin and the Beast was the first book in the Stud Ranch series by Stasia Black. It was a fairytale retelling and was my first book by the author. Xavier. Well we really didn't know anything about Xavier until the end, so no spoilers here. However, we learned quickly that he was silent, gruff, disfigured, a recluse and needed an heir.

This book is a fantastic blend of Beauty and the Beast and The Horse Whisperer with a healthy dose of BDSM. These characters had me alternating between wanting to cry in defeat, kill the hero, and screw the hero stupid. And as the wife of a retired soldier, certain themes struck a resounding chord in a way that was done with taste and compassion.

Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off. And right when it was all starting to--I finally had the house, the job, I was even thinking about getting a cat--boom!--my life explodes and suddenly now I'm here and-- "All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap. Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?" Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

one can know. Least of all my new boss and major pain in the ass, Hunter Dawkins. We might have had one amazing night together but the next morning he went colder than a Wallstreet banker's heart during a charity ball. I have zero tolerance for assholes in my life. No thank you. I'll show up, do my job, and earn enough to stay off the grid where my stepmother can't find me, but that's all. HUNTER: I have big plans for my large-animal veterinary clinic and they don't include taking on a gorgeous, fast-talking city-slicker for a summer intern. The fact that she's got legs for days and curves that could make a grown man weep? Or that we spent one unforgettable night together? Doesn't mean a thing. She's got secrets and she doesn't intend on sticking around for long. How can I have a future with a woman who has no past? But when trouble comes to town, I realize the woman I love to hate might just be the one I can't live without.

Teresa Medeiros makes her hardcover debut in this magnificently sensual and romantic tale filled with passion, humor, and suspense. It is the unforgettable story of two indomitable characters whose love affair is the stuff of which legends are made. . . . Gwendolyn Wilder did not believe in dragons. But the superstitious villagers of Ballybliss did, and so Gwendolyn found herself bound to a post as a sacrificial offering to the Dragon who haunted the ruins of Castle Weyrcraig. Fifteen years earlier, someone had betrayed the Laird of Weyrcraig and his handsome young heir to the English for a thousand pounds in gold. Now the Dragon was demanding that very amount. The frightened Highlanders hoped that instead of gold, the fair virgin would satisfy the beast's insatiable appetite. As for Gwendolyn, she never doubted that the so-called Dragon was a fraud. She knew there was a perfectly good explanation for the mysterious lights seen flickering in the crumbling castle and the unsettling sound of bagpipes drifting through the glens. But as she waited for whoever—or whatever—to claim his prize, she could not help trembling as a furious storm lashed about her . . . and she saw what appeared to be dark wings and a

stream of silver smoke emerge from the shadows. Rumor had it that the Dragon could take the form of a man, and so he did with Gwendolyn—a man who would not show her his face. He carried her into his lair and made her his prisoner, his pampered pet. And while she didn't expect to be eaten by the fire-breathing Dragon of Weyrcraig, neither did she expect to be warmed by his sensuous caresses or devoured by his passionate kisses. The Dragon had demanded gold and the fools had given him this golden-haired maiden. She was the very last thing he expected—and now there was no way he could let her go. She could never know that he was no monster but a flesh-and-blood man who had just laid eyes on the one woman who could slay him. Still, this supremely handsome man of devastating virility was more dangerous than any dragon. He would take it upon himself to enchant the practical Gwendolyn as she had enchanted him. He would weave a spell of sensuous magic around her that would defy all her commonsense notions and tempt her to believe in something even more unlikely than dragons and more powerful than the past that threatened them both—true love.

She was an experimental baby-clone reborn from the ashes of 9-11 that in less than six years evolved into a manipulative, nymphomaniac woman with two active personalities always in need of sexual attention. Legends hold that she was the re-incarnation of a cursed Virgin, banished unto the other side of Hell; women through the ages whispered her forbidden name as a death-wish against abusive & unfaithful men: La Virgen Maldita = Cursed Virgin of Death, some of them called her, for she was the sexiest of them all, but any man who had sex with her either died or lost his mind. The Virgin makes love to any man without question but the Beast within her kills them in the act, without hesitation. Harold La Paz is a veteran killer for hire, a savoir-faire bipolar man who has managed to keep his two incompatible personalities from intersecting by controlling his own cunning, wicked alter ego. Suddenly

he finds himself tangled up in between the legs of an insatiable sexual predator, living under the enchantment of a woman who actually isn't a woman at all. They are both hunters as well as the hunted, chased by an unorthodox and tenacious network of detectives. Virgin is also a perfect cover up for a team of serial killers so lethally clever that no one has ever suspected them -until now. Can the Virgin and Mr. Harold outsmart the system by concealing their shocking double life or will someone expose their crimes and true identities?

A playboy, a tomboy, and an ex-con. They couldn't be more different. The only place all those differences disappear? The bedroom. "Let's go in," Liam said, taking the hotel keycard Calla had been clutching. She looked confused until Liam eyed Mack and said, "All of us." Calla's eyes widened and her mouth dropped open slightly. But when the door unlocked, she stepped inside and held it open wide. In invitation. F*ck him. Mack felt it in his chest and his balls--the wanting. She doesn't know what she's inviting in. Liam stepped right over the threshold, but still, Mack hesitated. She deserves a million times better than either of you horny f*cks. Mack was about to turn around and leave. He really was. But then Calla reached over and took his hand. With her other, she reached out to Liam. When she started tugging them inside, Mack let himself be pulled forward. He didn't know if he was heading into heaven or hell. But as the door closed behind him, Mack knew there was no other place he'd rather be.
