The Wasp Factory is a mechanism invented by Frank, consisting of a huge clock face, salvaged from the local dump, encased in a glass box. Behind each of the 12 numerals is a trap that leads to a different ritual death (such as burning, crushing, or drowning in Frank's urine) for the wasp that Frank puts into it via the hole at the centre.

~~The Wasp Factory — Wikipedia~~

The Wasp Factory had been on my radar for quite some time, a highly recommended novel from a celebrated writer that I just never seemed to get started on, always jockeying for position in my mile-high TBR pile. I'm often told it's a sure horse to bet on,

so I finally made a point of reading it, and my expectations were high. By the end of the book those expectatio

~~The Wasp Factory by Iain Banks - Goodreads~~

The Wasp Factory was written almost 30 years ago by Iain Banks, who sadly died in 2013. Having previously read and enjoyed *The Crow Road* and *Raw Spirit*, and having watched and read tributes to him at the time of his death, I wanted to read his first novel. I didn't know what to expect, but it certainly wasn't that! Beautifully grotesque, violently creative, damaged and dark *The Wasp Factory* ...

When I had finished reading the Wasp Factory, I was trying to figure out what was the whole point of this. Then it dawned on me that this story is really in line with where our culture is. You've got people forcing you to think and act a certain way (a la the dad) then with the inner conflict of how you're biologically suppose to be (a la Frank).

The polarizing literary debut by Scottish author Ian Banks, *The Wasp Factory* is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldhame. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I murdered my young brother Paul, for quite different and more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim.

Acces PDF The Wasp Factory

That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.

Frank, a disturbed boy who lives alone with his father, creates a bizarre fantasy world for himself which includes strange rituals and murder

'Two years after I killed Blyth I murdered my young brother Paul, for quite different reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It

was just a stage I was going through.' Enter - if you can bear it - the extraordinary private world of Frank, just sixteen, and unconventional, to say the least.

Eighteen-year-old Kit is weird: big, strange, odd, socially disabled, on a spectrum that stretches from "highly gifted" at one end, to "nutter" at the other. At least Kit knows who his father is; he and Guy live together in a decaying country house on the unstable brink of a vast quarry. His mother's identity is another matter. Now, though, his father's dying, and old friends are gathering for one last time. "Uncle" Paul's a media

Acces PDF The Wasp Factory

lawyer now; Rob and Ali are upwardly mobile corporate bunnies; pretty, hopeful Pris is a single mother; Haze is still living up to his drug-inspired name twenty years on; and fierce, protective Hol is a gifted if acerbic critic. As young film students they lived at Willoughtree House with Guy, and they've all come back because they want something. Kit, too, has his own ulterior motives. Before his father dies he wants to know who his mother is, and what's on the mysterious tape they're all looking for. But most of all he wants to stop time and keep his father alive. Fast-paced, gripping and savagely funny, *The Quarry* is a virtuoso performance whose soaring riffs on the inexhaustible marvel of human perception and rage against the dying of the

light will stand among Iain Banks' greatest work.

Twenty-five-year-old Steven faces a bleak life with a sadistic mother and a job at a slaughterhouse where he is confronted with extreme violence and death.

The man who wakes up in the extraordinary world of a bridge has amnesia, and his doctor doesn't seem to want to cure him. Does it matter? Exploring the bridge occupies most of his days. But at night there are his dreams... Dreams in which desperate men drive sealed carriages across barren mountains to a bizarre rendezvous; an illiterate barbarian storms an enchanted tower under a stream of verbal abuse; and broken men

Acces PDF The Wasp Factory

walk forever over bridges without end, taunted by visions of a doomed sexuality. Lying in bed unconscious after an accident wouldn't be much fun, you'd think. Oh yes? It depends who and what you've left behind. Which is the stranger reality, day or night? Frequently hilarious and consistently disturbing, THE BRIDGE is a novel of outrageous contrasts, constructed chaos and elegant absurdities. Why customers are loving The Bridge: "Banks' Wasp Factory is frequently called 'One of the 20th century's 100 greatest novels'. It pales in comparison to The Bridge!" - Amazon Reviewer, 5 stars "Mindblowing! This is the first Iain Banks novel I have read and needless to say I'll be back for more." - Amazon Reviewer, 5 stars

knows the question. Park, Grout, Quiss - no trio could be further apart. But their separate courses are set for collision.

The man known as Cheradenine Zakalwe was one of Special Circumstances' foremost agents, changing the destiny of planets to suit the Culture through intrigue, dirty tricks and military action. The woman known as Diziet Sma had plucked him from obscurity and pushed him towards his present eminence, but despite all their dealings she did not know him as well as she thought. The drone known as Skaffen-Amtiskaw knew both of these people. It had once saved the woman's life by massacring her attackers in a particularly bloody

Acces PDF The Wasp Factory

manner. It believed the man to be a lost cause. But not even its machine could see the horrors in his past. Ferociously intelligent, both witty and horrific, **USE OF WEAPONS** is a masterpiece of science fiction.

Daniel Weir used to be a famous - not to say infamous - rock star. Maybe still is. At thirty-one he has been both a brilliant failure and a dull success. He's made a lot of mistakes that have paid off and a lot of smart moves he'll regret forever (however long that turns out to be). Daniel Weir has gone from rags to riches and back, and managed to hold onto them both, though not much else. His friends all seem to be dead, fed up with him or just disgusted - and who can blame them? And now Daniel

Acces PDF The Wasp Factory

Weir is all alone. As he contemplates his life, Daniel realises he only has two problems: the past and the future. He knows how bad the past has been. But the future - well, the future is something else.
