With Knox Manning. We watch the life of a Coast Guard dog, from the dog's point of view, from induction to graduation and then into a jungle to hunt for an enemy sniper. To pass muster, dogs must be of a certain size, then they go through basic training, canine calisthenics, carrying and leaping, attacking and assisting escapes, self-possession under gunfire, and working with various handlers.

Top Dog introduces us to Lucca K458, a decorated and highly skilled military working dog. An extraordinary bond developed between Lucca and Marine Corps handler Chris Willingham, launching what became a legendary 400-mission career. Lucca belongs to an elite group trained to work off-leash at long distances from her handler. She and Willingham became so sought-after that units scheduled missions around their availability. The book describes, in gritty detail, their adventures, including tense, lifesaving explosive finds and rooftop firefights.

New York Times Bestseller Po Bronson and Ashley Merryman's work changes the national dialogue. Beyond their bestselling books, you know them from commentary and features in the New York Times, CNN, NPR, Time, Newsweek, Wired, New York, and more. E-mail, Facebook, and Twitter accounts are filled with demands to read their reporting (such as "How Not to Talk to Your Kids," "Creativity Crisis," and "Losing Is Good for You"). In Top Dog, Bronson and Merryman again use their astonishing blend of science and storytelling to reveal what's truly in the heart of a champion. The joy of victory and the character-building agony of defeat. Testosterone and the neuroscience of mistakes. Why rivals motivate. How home field advantage gets you a raise. What teamwork really requires. It's baseball, the SAT, sales contests, and Linux. How before da Vinci and FedEx were innovators, first, they were great competitors. Olympians carry Top Dog in their gym bags. It's in briefcases of Wall Street traders and Madison Avenue madmen. Risk takers from Silicon Valley to Vegas race to implement its ideas, as educators debate it in halls of academia. Now see for yourself what this game-changing talk is all about.

Explores the changing communication and leadership roles of chief executive officers, interweaving factual information with a case study of a fictional company

A number one bestseller in Sweden, Jens Lapidus's Top Dog is a thrilling, character-driven look at Stockholm's drug-and-sex-fueled underworld. A Vintage Crime/Black Lizard Original. Emelie is a young lawyer who's just started her own firm. Teddy is a reformed criminal looking for a fresh start. The first time they teamed up, in Stockholm Delete, they uncovered the secrets of a Swedish sex ring. Though their partnership proved rewarding--both professionally and personally--they haven't seen each other since. But when a vulnerable young client of Emelie's is murdered before she can testify against her abusers, Emelie turns to her ex-partner/lover for help. Meanwhile, Teddy's nephew Nikolas has resolved not to repeat his uncle's felonious mistakes. But the gang-related murder of his best friend sets him back on a trail of violent vengeance--and into the path of Roksana, a naïve hipster whose discovery of a drug cache is giving her a dangerous crash course in Stockholm's dark side. And as Teddy and Emelie's investigation heats up, police corruption threatens to land him back in prison--or both of them in body bags.

The annual midnight race around the block, Pet Quest, is upon the neighbourhood. The rivalry between the two fastest kids on the block, Cool Cat and Top Dog, is reaching fever pitch, and to make matters worse, the two challengers live in the same household. Their competitiveness looks set to cost them the race - can they find a way to work together before all is lost? A fast-paced, prank-filled romp - full of heart - from celebrated new talent Mike Yamada.ÿ

Explores the work and significance of military dogs, sharing uplifting stories about noteworthy canines, their training, and heroic accomplishments as well as the lasting bonds they have formed with their soldier companions.

"One Good Dog is a wonderful novel: a moving, tender, and brilliantly crafted story about two fighters—one a man, one a dog—hoping to leave the fight behind, who ultimately find their salvation in each other. Susan Wilson's clear and unflinching style is perfectly suited for her story that strips away the trappings and toys we all hide behind, and exposes our essential need to give and accept love in order to thrive."—Garth Stein, New York Times bestselling author of The Art of Racing in the Rain

job, the glittering circle of friends. But there is a price to be paid for all these trappings, and the pressure is mounting—until the day Adam makes a fatal mistake. His assistant leaves him a message with three words: your sister called. What no one knows is that Adam's sister has been missing for decades. That she represents the excruciatingly painful past he has left behind. And that her absence has secretly tormented him all these years. When his assistant brushes off his request for an explanation in favor of her more pressing personal call, Adam loses it. And all hell breaks loose. Adam is escorted from the building. He loses his job. He loses his wife. He loses the life he's worked so hard to achieve. He doesn't believe it is possible to sink any lower when he is assigned to work in a soup kitchen as a form of community service. But unbeknownst to Adam, this is where his life will intersect with Chance. Chance is a mixed breed Pit Bull. He's been born and raised to fight and seldom leaves the dirty basement where he is kept between fights. But Chance is not a victim or a monster. It is Chance's unique spirit that helps him escape and puts him in the path of Adam. What transpires is the story of one man, one dog, and how they save each other—in ways they never could have expected.

Brodie was a good dog. And good dogs go to heaven. Except Brodie can't move on. Not just yet. As wonderful as his glimpse of the afterlife is, he can't forget the boy he left behind. The boy he loved, and who loved him in return. The boy who's still in danger. So Brodie breaks the rules of heaven. He returns to Earth as a spirit. With the help of two other lost souls -- lovable pitbull Tuck and surly housecat Patsy -- he is determined to find his boy and to save him. Even if it costs him paradise. Even if he loses his eternal soul. Because it's what a good dog would do.

Inspired by Garden & Gun magazine's popular "Good Dog" column, a rich collection of true stories celebrating the unique relationship between humans and their canine companions, penned by some of today's top writers, including Jon Meacham, Roy Blount, Jr, Dominique Browning, and P.J. O'Rourke. When Garden & Gun magazine debuted a column aptly named "Good Dog," it quickly became one of the publication's most popular features in print. Now, Editor-in-Chief David DiBenedetto (proud owner of a Boykin spaniel) and the editors of G&G have gathered the most memorable stories, as well as original pieces, in this collection of essays written by some of most notable dog owners in literature and journalism. Good Dog offers memorable, beautifully written stories of dog ownership, companionship, friendship, and kinship. From the troublemakers who can't be fenced in to the lifelong companions who won't leave our sides, this poignant anthology showcases man's best friend through all of his most endearing—and sometimes maddening—attributes. By turns inspirational and humorous (just like the dogs we love), Good Dog is a must-have collection for dog lovers everywhere.
