Continues the adventures of dark elf Drizzt Do'Urden against a backdrop of a brutal war that expands throughout the Forgotten Realms.

Bloody war rages across the Forgotten Realms world in the third book of the Companions Codex, the latest series in R.A. Salvatore's New York Times best-selling saga of dark elf Drizzt Do'Urden. In the evolving world of the Forgotten Realms setting, the Sundering has given way to months of cloud-cloaked darkness, and war rages under that oppressive sky. The orcs have broken a hard-fought treaty that's held, however tentatively, for a hundred years, and the time to settle old scores has devolved into an all-out brawl for control of the ancient realms of the North.

R.A. Salvatore's New York Times best-selling saga continues as dark elf Drizzt Do'Urden returns to Gauntgrym with old friends by his side once again, as they seek to rescue Bruenor's loyal shield dwarf-turned-vampire. But not only do Drizzt and his allies face a perilous journey through the Underdark and the dangers of the undead that lie within, but they must cross through a colony of drow, who would like nothing better than to see Drizzt Do'Urden dead.

“The Companions is the best novel [R.A.] Salvatore has ever written. It’s insanely courageous, profoundly powerful, masterfully constructed, and easily Salvatore’s most ambitious work to date.”—Paul Goat Allen, BarnesandNoble.com “After a quarter of a century, R.A. Salvatore just keeps getting better and better, and The Companions is another masterful leap forward for one of the greatest fantasy epics of all time.” —Philip Athans, best-selling author of Annihilation and The Haunting of Dragon’s Cliff This latest installment in New York Times best-selling author R.A. Salvatore’s beloved fantasy saga, The Companions moves Salvatore’s signature hero Drizzt into a new era of the Forgotten Realms. As Drizzt’s fate hangs in the balance, he reflects on the lives of the trusted allies who stood by his side throughout his early life—the friends now known as the Companions of the Hall. Meanwhile, the first stirrings of the Sundering begin.

In the second book of the Companions Codex, the latest series in R.A. Salvatore's New York Times best-selling saga of dark elf Drizzt Do'Urden, the orcs of Many Arrows decide to take advantage of the chaos wrought by the Sundering to reignite a blood feud first brought to life in the phenomenal best seller The Thousand Orcs.

"English Literature for Boys and Girls" by H. E. Marshall. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read.
