"There are a lot of bad republicans; there are no good democrats."—Ann Coulter In today's climate of hyper-partisanship, blurred lines between political news, analysis, and entertainment, and outrageous comments from the chattering classes, who better than Tom Patterson to provide students with the tools and context to make informed judgments and become skilled political thinkers? Patterson's *We the People* has long been a best seller for American government courses due to its insightful, readable, and balanced portrayal of the American political system. The 9th

edition continues this tradition of excellence while also introducing a new emphasis on political thinking at a time when the partisan divide seemingly could not be wider and unbiased political information is often drowned out by other sources. With expertise in the areas of public opinion, the media, and elections among other areas, Tom Patterson is a voice you can trust to help develop your students critical thinking skills when it comes to politics and political science. As Patterson notes, "Political thinking takes place within the context of a person's political interests and values, which can lead equally thoughtful individuals to reach opposing opinions on the same issue." If you are looking for learning materials to help ensure your

generation editors who have reenergized the volume across the centuries. Fresh scholarship, new authors—with an emphasis on contemporary writers—new topical clusters, and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students.

Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. Keeping the Republic draws students into the study of American politics, showing them how to think critically about "who gets what, and how" while

exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power – the ability to create and share their own narratives – while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech

ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, Keeping the Republic, Eighth Edition is a much-needed resource to help students make sense of politics in America today.
