“Young women looking for inspiration will surely find it” (Booklist) in these profiles of forty-six movers and shakers who made their mark before they turned twenty. This fun and inspiring collection of influential stories provides forty-six illustrated examples of strong, independent female role models, all of whom first impacted the world as teenagers or younger. Originally published in two volumes over a decade ago, this fully updated and expanded edition of *Girls Who Rocked the World* spans a variety of achievements, interests, and backgrounds, from Harriet Tubman and Coco Chanel to S.E. Hinton and Maya Lin—each with her own incredible story of how she created life-changing opportunities for herself and the world. Personal aspirations from today’s young women are interspersed throughout the book, which also includes profiles of teenagers who are rocking the world right now—girls like Winter Vinecki, the creator of the nonprofit organization Team Winter, and Jazmin Whitley, the youngest designer to show at L.A. Fashion Week. It’s never too soon to start making a difference, and these exhilarating examples of girl power in action make for ideal motivation.

Tells the stories of 35 girls who were younger than twenty years of age when they changed the history of the world through their accomplishments.

"Young women today crave strong, independent role models to look to for motivation. In the follow-up to the 2012 bestseller *Girls Who Rocked the World*, *More Girls Who Rocked the World* offers a fun and inspiring collection of influential stories with forty-five more movers and shakers who rocked the world before turning twenty. A variety of achievements, interests, and ethnic backgrounds are represented, from Annie Oakley and Cleopatra to Malala Yousafzai and Misty Copeland--each with her own incredible story of how she created life-changing opportunities for herself and the world. Personal aspirations from today's young women are also interspersed throughout the book, as well as profiles of teenagers who are out there rocking the world right now"--

The *Girls Who Rocked the World* series shows teens that they don't have to wait until they're grownups in order to make a difference and rock the world.

Presents short profiles of famous men throughout history, from King Tut to Crazy Horse to Stan Lee to Shaun White.

With her characteristic wit and dazzling drawings, celebrated graphic novelist Penelope Bagieu profiles the lives of these feisty female role models, some world famous, some little known. From Nellie Bly to Mae Jemison or Josephine Baker to Naziq al-Abid, the stories in this comic biography are sure to inspire the next generation of rebel ladies.

*Girls Who Rocked the World: Heroines from Sacagawea to Sheryl Swoopes*

Get to know the many boys and girls who rocked the world with this collectible boxed set that includes *Boys Who Rocked the World*, *Girls Who Rocked the World*, and *More Girls Who Rocked the World*. *Boys Who Rocked the World* offers a fun, thought-provoking collection of stories about forty-six movers and shakers who changed the world before turning twenty. *Girls Who Rocked the World* offers an inspiring collection of stories about influential women who left their mark on the world—all before age twenty. *More Girls Who Rocked the World* shares the profiles of forty-five more amazing women who changed the world when they were still kids.

NATIONAL BESTSELLER “A delectable brew of gothic horror and Hollywood satire . . . [and] what makes all this so much fun is Danforth’s deliciously ghoulish voice . . . exquisite.” —Ron Charles, THE WASHINGTON POST "A multi-faceted novel, equal parts gothic, sharply funny, sapphic romance, historical, and, of course, spooky.” —ENTERTAINMENT WEEKLY Named a Most Anticipated Book by Entertainment Weekly • Washington Post • USA Today • Time • O, The Oprah Magazine • BuzzFeed • Harper's Bazaar • Vulture • Parade • HuffPost • Refinery29 • Popsugar • E! News • Bustle • The Millions • GoodReads • Autostraddle • Lambda Literary • Literary Hub • and more! The award-winning author of *The Miseducation of Cameron Post* makes her adult debut with this highly imaginative and original horror-comedy centered around a cursed New England boarding school for girls—a wickedly whimsical celebration of the art of storytelling, sapphic love, and the rebellious female spirit Our story begins in 1902, at the Brookhants School for Girls. Flo and Clara, two impressionable students, are obsessed with each other and with a daring young writer named Mary MacLane, the author of a scandalous bestselling memoir. To show their devotion to Mary, the girls establish their own private club and call it the Plain Bad Heroine Society. They meet in secret in a nearby apple orchard, the setting of their wildest happiness and, ultimately, of their macabre deaths. This is where their bodies are later discovered with a copy of Mary’s book splayed beside them, the victims of a swarm of stinging, angry yellow jackets. Less than five years later, the Brookhants School for Girls closes its doors forever—but not before three more people mysteriously die on the property, each in a most troubling way. Over a century later, the now abandoned and crumbling Brookhants is back in the news when wunderkind writer Merritt Emmons publishes a breakout book celebrating the queer, feminist history surrounding the “haunted and cursed” Gilded Age institution. Her bestselling book inspires a controversial horror film adaptation starring celebrity actor and lesbian it girl Harper Harper playing the ill-fated heroine Flo, opposite B-list actress and former child star Audrey Wells as Clara. But as Brookhants opens its gates once again, and our three modern heroines arrive on set to begin filming, past and present become grimly entangled—or perhaps just grimly exploited—and soon it’s impossible to tell where the curse leaves off and Hollywood begins. A story within a story within a story and featuring black-and-white period-inspired illustrations, *Plain Bad Heroines* is a devilishly haunting, modern masterwork of metafiction that manages to combine the ghostly sensibility of Sarah Waters with the dark imagination of Marisha Pessl and the sharp humor and incisive social commentary of Curtis Sittenfeld into one laugh-out-loud funny, spellbinding, and wonderfully luxuriant read. “Full of Victorian sapphic romance, metafictional horror, biting misandrist humor, Hollywood intrigue, and multiple timeliness—all replete with evocative illustrations that are icing on a deviously delicious cake.” —O, THE OPRAH MAGAZINE

Going after you dream doesn't have to wait - be empowered by these incredible women and start changing the world now. From the inspiring author of *Girls Who Rocked the World* comes another comprehensive collection of true, inspiring profiles of successful young women throughout history who made their mark on the world before turning twenty. Young women today crave strong, independent role models to look to for motivation. *Girls Who*
