Hot Tub Controls Manual

Your spa owner's manual is an important piece of literature, detailing safety information, installation instructions, and covering every aspect of use, care and maintenance for your spa or hot tub. Spa manufacturers write some of the most detailed owner's manuals that I've ever read. I've been curating spa and hot tub owner's manuals for many years, but now they sit dusty on the shelf, as most manufacturers have their owner's manuals listed online.

If the error signal continues on the control panel then you will need to consult your hot tub manual to see what the problem is. If the control panel simply seems not to be working you can check the connections to it and also see if any water has got in it which could be the problem. If all seems well then you may need to replace your control panel or consult your hot tub dealer.
