Background. The group started in the mid-to-late 1950s as a high school band in San Luis Obispo, California. They were originally called Gil Serna & The Rockets before changing their name to The Revels in 1959. [citation needed] Although their instrumental style predated the 1961-65 era of surf music, their success came during that period.[citation needed]

Surf music is a subgenre of rock music associated with surf culture, particularly as found in Southern California. It was especially popular from 1962 to 1964 in two major forms. The first is instrumental surf, distinguished by reverb-heavy electric guitars played to evoke the sound of crashing waves, largely pioneered by Dick Dale and the Del-Tones. The second is vocal surf, which took ...
