Euphemisms are milder words or phrases used to blunt the effect of more direct or unpleasant words or phrases. If you know when to use or avoid these expressions, your writing will be more effective.

What Are Idioms, Clichés, Jargon, Slang, and Euphemisms

Sharyn O'Connell. Jargon is the technical language of a specialist group. In Linguistics this includes terminology like 'subject', 'syntax', 'complement', 'transitive verb'. Euphemisms are expressions used to soften the impact of language by talking in less direct ways about taboo topics. So we talk about death by using expressions like 'with God/the angels', 'passed away', 'moved on'.

Euphemism and metaphor are both figures of speech. A euphemism is a word or phrase used in place of something people do not wish to refer to directly. This is generally because the topic in question is one that is socially or culturally sensitive, or may for some other reason cause upset.

What is the difference between a euphemism and a metaphor ...

This slang Americanism appears to have been coined in the mid-to-late 19th century as a Victorian euphemism to avoid direct reference to bodily functions or frowned-upon activities. Although they were all out, at the bases, and the rest of our nine having gone to see a man, there was nobody to take the bat.
