## Where To Download The Body Economic Why Austerity Kills David Stuckler

Politicians have talked endlessly about the seismic economic and social impacts of the recent financial crisis, but many continue to ignore its disastrous effects on human health—and have even exacerbated them, by adopting harsh austerity measures and cutting key social programs at a time when constituents need them most.

### **The Body Economic: Why Austerity Kills by David Stuckler**

In *The Body Economic*, Stuckler and Basu mine data from around the globe and throughout history to show how government policy becomes a matter of life and death during financial crises. In a series of historical case studies stretching from 1930s America, to Russia and Indonesia in the 1990s, to present-day Greece, Britain, Spain, and the U.S., Stuckler and Basu reveal that governmental mismanagement of financial strife has resulted in a grim array of human tragedies, from suicides to HIV

## **Amazon.com: The Body Economic: Why Austerity Kills ...**

The Body Economic puts forward a radical proposition. Austerity, it argues, is seriously bad for your health. We can prevent financial crises from becoming epidemics, but to do so, we must acknowledge what the hard data tells us: that, throughout history, there is a causal link between the strength of a community's health and its social ...

...

In a similar vein to Naomi Klein's seminal book No Logo on branding and globalisation, The Body Economic addresses the matter of health in austere times and the effects of policy decisions on the health and well-being of the citizens of countries struggling with major economic crises. With a little less of Klein's activism, but with no less passion, the book calls for evidence based policies to protect and meet health needs, thus avoiding attempts to provide care on a person's ...
